officiating. Later on, all the bells rang from the several churches, calling the people to prayer and praise. Owing to the absence from town of Rev. Dr. Weddall there was no service in the Methodist church. A large number of the citizens drove over to Shediac Cape, where Rev. Mr. Tomlinson, rector of St. Martin's church held a service of thanksgiving to the God of Battles for the victory achieved in the cause of right and freedom. The town at an early hour donned its holiday attire, and abundance of patriotic decorations. The flags of the Allies and festooning of bunting were seen on all the residences, stores and public buildings. Bells rang, horns were tooted, whistles blew, and all day the people observed to the full the pleasure of the occasion. A number of the citizens spent part of the day in Moncton, to witness the celebration held there. The evening was the appointed time for our demonstration and at the arrival of the seven o'clock train, the people began to assemble at the depot. A huge bonfire in the near vicinity attracted large crowds to enjoy its cheer and warmth for the night.

At 8 o'clock a torch and torchlight procession, headed by the Loyal Legion Band, paraded the Main street. The citizens, young and old, filed in, were doing their part in the general merry-making. ends Stubborn Coughs in a Hurry

For real effectiveness, this old home-made remedy has no equal. It is easily and cheaply prepared.

You'll never know how quickly a bad cough can be conquered, until you try this famous old home-made remedy. Any one who has coughed all day and all night, will say that the immediate relief given is almost like magic. It takes but a moment to prepare, and really there is nothing better for coughs.

Into a 16-oz. bottle, put 2½ ounces of Pinex (50 cents worth); then add plain granulated sugar syrup to make 10 ounces. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. Either way, this mixture saves about four-thirds of the money usually spent for cough preparations, and gives you a more powerful and effective remedy. It keeps perfectly and is pleasant—children like it.

You can feel this take hold instantly, soothing and healing the membranes of the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm thin out, and then disappear altogether. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchitis, croup, whooping cough, and influenza.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, known as the "elixir of Pinex" with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

A Song for Every Mood

Music gives expression to every human emotion. All that is happy and beautiful in life, has been expressed in music.

When things seem bright and cheerful because a ray of happiness has come into your life, you need an outlet to give vent to your feelings.

When sorrow or depression comes, the need of consolation is even greater.

Then one sweet note of the voice of Anna Case, or one ripple of melody from the bow of Albert Spalding, puts your soul in harmony with the world. Music—real music—is one of life's greatest boons. Edison music is real music because the New Edison does not merely imitate, it RE-CREATES. One never tires of the New Edison, the novelty never wears off, because there is no novelty to wear off. It is not just another "talking machine". It is decidedly different. To appreciate the difference you must hear it.
