Winnipeg, May 4—The local wheat market was easier throughout today's session and closed 13-8 cent lower for May, and 1 cent down for July from yesterday's, final quotations.  Both futures opened lower. During most of the day, May spread between 1.42-5-8 and 1.46-3-4, while late in the session it was steady around \$1.41-4. July spread between 1.33 and 1.37-8. being steady around \$1.41-4. July spread between 1.39 and 1.37-8. being steady around \$1.41-4. July spread howers 1.39 and 1.37-8. being steady around \$1.41-4. July spread howers 1.39 and 1.37-8. being steady around \$1.41-4. July spread hower 1.39 and 1.47-8. Domestic demand is also very slow. Liverpool cables were unchanged to half cent lower. Exporters were out of the market, this resulting in business being very quiet. The coarse grains were quiet and the tower can be completed by the service of the serv	ery, and it is a herculean task; as a starter I venture to submit that over-ducation at public expense tends to keep a large number of boys and girls at school during the very years when knowledge of household arts and habits of econ. Early the very years when knowledge of household arts and habits of econ. Early that education above the grammar grades should be at private expense and not provided for by general taxation.  I realize that I am a pretty heip less piece of female machinery, that the maid I empley, who can neiths the about the cost to us of our madd is more than \$100 a month—\$1,200 a year.  My hreshand receives \$4,000 a year and 30 per cent of his salary is needed to pay for service I should be able to render as my share of the matrimonial partnership. This outlay is necessary because the commonthy falled to provide that the following increases the commonthy falled to provide that the following the human species is the United States should be developed as house hold managers and housemakers.
