

The always-in-correct style Overcoat is the most economical garment, and is dressy.

We have 500 good Top Coats to show you, ranging in value from \$15 to \$25.

Try one on. You will never be urged to buy nor embarrassed by the least sign of insistence.

You will get a line on what is good and what is correct, even though you afterwards decide on something elsewhere.

We never "knock" the other fellow, but we do know that we have absolutely the finest tailoring and the most satisfaction and value for the cost.
