

NEWS AND NOTES. TO THE DEAF.

A person cured of Deafness and noises in the head of 23 years' standing by a simple remedy, will send a description of it Free to any Person who applies to Nicholson, 177 McDougal street, New York.

A London paper says: The Prince of Wales will probably be made chairman and the Marquis of Lorne vice-president of the Royal Commission having in charge England's interest at the Chicago fair.

ADVICE TO MOTHERS.

Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. 25c a bottle.

A man is glad to be assisted in a great many things he does, but if he has a pet story to relate he never feels kindly toward the man who helps him tell it.

ERYSIPELAS.—Mrs. Jane Smith, of Maitland, was cured of a grievous case of erysipelas by using Minard's Family Pills 20 days, and applying Minard's Liniment to the parts affected.

Miss Elsie Stanley is an Australian girl of 14 who has great musical talent and has just won a scholarship at the London Royal College of Music, which entitles her to a free education for three years.

A man of thirty years, arrested at Williamsport, Pa., for larceny, gave his occupation as that of a dude.

CRYING FOR AID.—Loss of appetite, headache, depression, indigestion and biliousness, a sallow face, dull eye and a blotched skin are among the symptoms which indicate that the liver is crying for aid. Minard's Family Pills stimulate the liver to proper action and correct all these troubles. No family can afford to be without Minard's Pills.

The English authorities are investigating the habit of ether drinking, which is said to be spreading in that country, many persons using ether as a substitute for alcoholic liquors.

In London the attendance of school children is not satisfactory, rarely rising above 80 per cent, so that every day some 97,000 are absent.

Experiments are said to have proved that where electric lights have been used in place of oil lamps for lighting the compasses of vessels at night, an incandescent lamp brought close to the compass caused a deflection of the needle.

Accidents were so numerous during the recent icy term in London that one company had 220 claims for broken legs in seven days.

A SURE REMEDY FOR NEURALGIA.

Neuralgia is one of the most common and painful affections incidental to this climate. Life to thousands is made very miserable through its agency, and as it affects the nerves, only the most powerful and penetrating remedies can reach it. Nerviline has created wonder in the minds of those who have uselessly tried other remedies since its action seems magical. To all suffering from any kind of nerve pain, internal or external, we request a trial of Nerviline. Sold by all dealers in medicine, 10 and 25 cents a bottle.

A man may forget his business, his family, and all the sacred obligations of a life, but the terrible pains of neuralgia, rheumatism, lumbago and sore throat can only be forgotten after using freely of Minard's Liniment. It cures like magic.

Brazil is larger than the United States; but in the whole 20 states which make up the republic there are not as many people as in New York and Pennsylvania.

PAROCHIAL
