

Ontario, you pass the townships of Cramahé, Haldimand, and Hamilton, which are now settling ; and arriving at the township of Hope, you find excellent mills ; from thence there is a portage to the Rice lake.

You then pass by the fronts of Clarke, Darlington, and Whitby ; and coming to Pickering, you meet with an excellent salmon and sturgeon fishery, at a river called Duffin's Creek, which is generally open, and large enough to receive boats at most seasons of the year.

After leaving the township of Pickering, you pass under the high lands of Scarborough, and arrive at the township of York.

All the townships on the north side of the lake are well watered by small streams, at the mouths of which are ponds, and low land capable of being drained and converted into meadows. In the rear of the township of Murray, is the township of Seymour ; in the rear of Cramahé, is Percy ; in the rear of Haldimand, is Alnwick ; and in the rear of Hamilton, is Dives.
