- In cases, however, where a vessel hauled up for repairs upon the Canal bank remains there throughout the winter, a charge of four dollars only shall be made (in addition to the ordinary winterage dues) the period covered being from the 1st of November to the 1st of June, inclusive.
3. Any vessel remaining on the Canal bank after having wintered thereon shall be charged at the rate of one dollar a month or a fraction of a month of her subsequent stay.
  4. Any vessel remaining more than one year on the bank of the Canal shall for such time as she may remain in excess of that period pay at the rate of two dollars a month, or fraction of a month throughout the whole year.
  5. All charges shall be payable at the collector's office in advance on the first day of each month.
  6. These rules shall be understood as applying to all cases where the Canal bank is used in any manner for the repairs of vessels whether such vessels are actually hauled up or not.
