

Don't Walk--Use An Electric Iron

THE irksome "beat" that every woman trudges between stove and board with the ordinary iron is not necessary since the Electric iron has come into use. Just iron straight ahead till the work is done. This iron never cools until the button is turned. The initial cost is five dollars. Try one for thirty days at our expense with no obligation to purchase until satisfied.

BIG GAME

The hunter who prefers the stately caribou and moose will best plan the trip for his ultimate success if, in procuring his information, he secures particulars of the hunting grounds reached by the Canadian Pacific Railway--conceded to be the road that reaches more of the best hunting grounds in America than any other line. "Hints for Hunters," "Fishing and Shooting," "Open Seasons," "Sportsman's Map," etc., all contain valuable information for hunters, and may be had from any agent.
