

**HARRY BOYLES** candidate for Junior Representative, is a second year Forestry student. A native of Saint John, now residing in Toronto, he was active as a member in the student council and athletics at Saint John High School. In his two years at UNB Harry has been an active participant in intramural hockey, basketball and soccer. Harry is also treasurer of the Forestry Association. We believe that Harry is well qualified to be a junior representative to the SRC.

### GEORGE BRYSON

In this letter I wish to present my qualifications and briefly explain my platform to the students with whom I shall not be able to speak with personally.

I have been a member of the Collegians Orchestra since its formation two years ago, and for the past year have served as Business Manager. In my Freshman and Sophomore Years I have also been a member of the University Band and have taken part in the Red 'n' Black.

The space I have been allotted is not sufficient to enable me to fully discuss my platform with you, but may I say that, if elected, the organizational problems of the student shall be my greatest concern and I shall represent you to the best of my ability.

### DAVID CASE

After graduation from Saint John High School in 1956, I came to UNB in the fall of that year and enrolled in the faculty of Arts. Since coming up the hill I have participated in hockey, curling, and badminton on the intramural level and have been a member of the Canterbury Club and the Arts Union, this year being the chairman of the Arts Union Snow Sculpture Committee. From my freshman year I have been an interested observer of SRC activities and would welcome a chance to take an active part in student government.

### Also Running . . .

**WILLIAM CHILD Arts 2**

**BOB SUTHERLAND Arts 2**

### JOHN BASSETT

John received his high school training at Upper Canada College in Toronto, the city of his birth. At UCC he attained the highest position possible as a student, that of steward. Since coming to UNB, where he lives in the Residence, he has been active as player with the Red Bombers; won the intramural tennis championship — ranking third in Canada — and played some outstanding games as goalie for the Red Devils. John, with a first class average at Christmas, is a serious young man with an excellent sense of humour, a good rational mind and a thorough interest in the affairs of the student body. These qualities, if he is elected, should make him a first rate sophomore class representative on the SRC.

### RUTH WOOD

I entered UNB from Fredericton High School where I participated in many activities, being Senior S.R.C. representative, editor of the Year Book, and President of the Glee Club. During the past summer I was one of three Canadian students chosen to attend a six-week leadership course in New York State.

At UNB I have participated in numerous student activities including cheerleading, Choral Society, collecting prizes for Winter Carnival, making-up for The Musical Comedy, and badminton.

In my Sophomore year I shall continue my interest in student functions and, if elected, shall represent the Sophomore class to my fullest capacity.

# SRC Nominations

## — Junior Class —

### DOUG CALDWELL

For a "rep with pep" vote Doug Caldwell for your junior representative. Since coming to UNB from Kingston, Ontario, Doug has become well known for his activity and industry "up the hill". He has been especially active in athletics having played varsity football and hockey. After seeing his spirit and determination on the playing field we know that he will put the same degree of effort into representing the junior class.

The experience and knowledge that Doug has gained from his avid participation in the Business Administration club will make him a valuable member of the SRC.

Place your vote with Caldwell and be sure of determination, interest and effort in 58-59.

### CHARLES DAUGHNEY

An engineering student Charles Daughney, is already well-known to Motorcycle and Camera Club enthusiasts, and in bowling, curling and water-polo circles. Quiet and unassuming, Charlie is, nonetheless, a student of firm convictions, who will always speak out for what he considers is right. A sense of service and a wish to help in campus government has led him to offer himself as SRC junior representative. To my mind this quiet conviction is the ideal quality in an SRC member, and the students could do no better than to elect him.

### JUNE DEXTER

I am pleased to have been nominated for Junior representative on the S.R.C. Student Government has always interested me, and during my two years as an Arts student at UNB I have become aware of the importance of the S.R.C. on this campus. I have worked with the Red 'n' Black for two years, and this year took part in the Winter Carnival's musical comedy. I have been on the Brunswick staff, and am a member of the Choral Society and Curling Club. If elected to the S.R.C., I would consider it a privilege, and would do my best to represent my class.

### CAROL ANN BREWER

I entered UNB from Fredericton High School last fall and am enrolled in the Science faculty. Since arriving on the campus I have been keenly interested in all student activities. I am a member of the Choral Society, starred in the Winter Carnival Musical Comedy, and am a recruit for the current Red 'n' Black Revue.

I hope to participate in next year's campus activities with an equal enthusiasm and, if elected to the SRC, will represent the sophomore class to the best of my ability.

### JO-ANN CARR

I entered UNB on the Maggie Jean Chestnut Scholarship, following graduation from Fredericton High School. While attending FHS I was a member of various clubs, including Debating and Hi-Y, and received letters from this school in scholarship and athletics, being a member of six Varsity teams. During my final year, I was the elected representative of my class on three committees, as well as President of the Junior Red Cross Council. Since entering UNB I have been a member of the Women's Tennis Team and, am currently a member of the Badminton and Ski Clubs and the UNB Film Society.

Since, generally speaking, most election promises are never fulfilled, I won't make any; however, I will endeavour, if elected, to serve your interests to the best of my abilities.

### BRIAN CASEY

I was born in Amherst, N.S. on September 10, 1940, and attended school there until this year. Well known in Amherst for my activities in the Boy Scouts, curling and

### JOHN DREW

Nominated, unknown to himself, by God knows whom, this darn Limey decided to run — fast, in the opposite direction. Why he is standing, I, for one, don't know. Everything he has tried since he arrived here has been a failure; his part in WUSC, his rubbish for the Brunswickan, his dreadful performance in Journey's End and his pathetic exhibitions on the Soccer field. At Hockey alone has he distinguished himself. If elected he would only make as much of a fool of himself as he does in English tutorials. Student, use your vote wisely — don't elect someone who plays — ugh! — cricket.

### DAVE DUBRULÉ

For each of the past two years I have played a Varsity sport and participated in most intramural sports. I attempt to help in most student activities and this year was co-chairman on the Winter Carnival Committee. Serving for two years on the Students' Council in high school I obtained a bit of experience in this type of office.

But first in importance; I am interested in working on the Students' Representative Council and will do everything in my power to represent the Junior properly.

### MIKE PICK

All sophomores should not miss this opportunity to vote for honest, enthusiastic, progressive, wise, generous, kind, friendly, intelligent, honorable, determined, sagacious, venturesome, authoritative, suitable, fit, proper, excitative, keen, exemplary, facile, mild, exhaustless, thrifty, mirthful, exigent, ministrant, alert, valuable, worthwhile, effective, important, momentous, valiant, robust, brave, stout-hearted, vigorous, heroic, strong, healthy, sound, efficient, just, worthy, extertive, daring, presentable, pre-sidial, neat, engaging, good, old, exhilarant, soulful, independent, dexterous, skilful, sensitive, cheerful, courageous, modest MIKE PICK.

Army Cadets, I came to UNB to take Business Administration.

I am an active member of the Curling Club and the Business Administration Club. After obtaining my B.B.A. degree I intend to go on to law school.

If elected, I will serve the Sophomore Class to the best of my ability.

**VICTOR DANA** is running for sophomore representative. Vic hails from Sao Paulo, Brazil, and is in Business Administration.

The experience he had from the Vice-presidency of his high school club, of his studies of parliamentary procedure, as well as the knowledge of the problems of other students like himself at UNB would be useful in representing his college fellows.

Vic is known about the campus for his active participation in the organization of the Judo Club. If Vic Dana is elected I'm sure he would be representing us in the best way.

### ANDY LONG

It has been a great honour and privilege for me to have been a freshman representative on the S.R.C. and a member of the Constitution Committee this past year. I have been active on such Student Councils throughout my high school days in Burlington, Ontario. I have been a class representative for many years and also I was the treasurer for the Boys Athletic Association. I sincerely hope that my valuable experience in Student Council affairs will help me to win your confidence in the coming election.

If elected I shall serve the Sophomore Class to the best of my ability. Remember, You can't go wrong with Andy Long.

### VIVIAN GRANT

My first contact with the SRC "Up the Hill" came last year when you elected me secretary. I found this both an interesting and constructive experience, and for this reason I would like to act on the 58-59 council.

Apart from working on the SRC my activities at UNB have included basketball, URTP, NFCUS, and Red 'n' Black.

If you, the members of next year's junior class, decide to elect me as your representative I shall fulfill the office to the best of my ability and do all I can to further your interests.

### BARRY MACKAY

I came Up the Hill this fall to enter Electrical Engineering, coming from my hometown of Rothesay, N.B., making my home away from home in the Residence.

Since then I have taken part in a number of student activities, among them plunking a banjo in the Red 'n' Black, becoming a member of the University RCAF Squadron, Engineering Society, and Judo Club.

Not intending to make any far-fetched promises if elected, I do intend to do the best job I can by serving my class.

### ELIZABETH (BIDDY) WILSON

A graduate of Fredericton High School, is a nineteen year old second year Arts student honouring in Biology.

For the past two years she has been a member of Varsity Girls' Basketball Team, a cheerleader and a participant of the Red 'n' Black Revue. She was on the Winter Carnival Committee this year in the role of chairman of the accommodations. Besides this Biddy is President of the 1957-58 Sophomore class.

### ARTHUR VANWART

Besides being a close follower of varsity sports and a junior varsity basketball player, I have been a member of intramural hockey, bowling, basketball, and softball

**CATHY DAVIS** came to UNB from Montreal and is a first year Arts student. In her senior year of high school she was secretary of her class and a representative on the girls athletic association.

During her first year at UNB Cathy was a freshman representative on the SRC and the secretary-treasurer of the Arts Union.

Cathy is very interested in all university activities and I feel certain she would be an excellent representative for the sophomore class, on the SRC, next year.

**SHIRLEY DUNNETT** is from Whitney, N.B. He graduated from North and South Esk Regional High School in June, 1957. He enrolled at UNB last fall as a freshman Electrical Engineer on a Lord Beaverbrook scholarship. At the present time he is a member of the UNB Engineering Society and the I.V.C.F.

If elected as a sophomore class representative, he will uphold the office to the best of his abilities and endeavour to make known the wishes of the sophomore class within the rules of the SRC.

### FRED SMITH

Fred came to UNB last fall from Saint John. He is enrolled in the Science faculty (pre-medical). During his freshman year he has participated in intramural sports, the Choral Society and the university band.

Fred feels that there is not enough interest shown by the student body as a whole in the normal functions of the SRC. He would like to see more enthusiasm in this respect. If elected he will try to conscientiously represent his class and their wishes.

teams. My other student activities include: SRC representative (freshman year), an actor in the winter carnival musical, plus many widely varied minor interests. Since the focal point of all UNB's student activities is the student representative council, and with my wide interest in the various aspects of student activities, I hope, I will be able to represent you on your council.

### NICK WIPOND

I have accepted nomination for the position of junior representative with the SRC. Prior to enrolling at UNB I completed seven years service with the RCAF. I received my Radio Operator's Wings at Clinton, Ontario, and later completed tours with squadrons at Ottawa and Montreal. I was released with the rank of Flying Officer. I have travelled extensively throughout Canada and visited many foreign countries. I am a student in second year Engineering and hope to obtain a degree in Electrical. If elected I shall maintain the students interests foremost in my mind.

### GORDON MOCKLER

Gord has had two active years Up the Hill. He has played Varsity soccer, junior varsity hockey, intramural basketball and hockey both years. This year he is exhibiting qualities of leadership as player manager of the Arts hockey squad.

In the musical-comedy, "Around the World in 80 Minutes", Gord hid his talents behind a Pogo mask, but on the SRC he would be able to utilize them to their full advantage. He will make a capable, conscientious, and responsible representative on the S.R.C.

### BARRY YOELL

For two years now Barry has served on the S.R.C. In those two years he has used his judgement wisely to consider all the issues before the Council and then vote with firm conviction. During this time, he has served on 5 S.R.C. Committees, where, after all, the spade work of the Student Government is done. And meanwhile he has found time to swim for the Varsity, run WUSC and pass his year! There would be no better tribute to his unselfish service than to elect him for a third time.

### WILLIAM McMACKIN

Bill came up the hill last fall from Rothesay and is at present enrolled in the Engineering faculty. Bill is active in intramural sports and is a loyal supporter of all varsity sports.

He would like to see more collaboration between the representatives on the SRC and their respective classes. Bill is a very progressive person in a conservative sort of way. If elected, he will make an honest effort to fulfill the responsibilities entrusted to him.

### DEE SANGER

Although born in England, Dee Sanger now resides in Belmont, Mass. In high school, Dee was not only an outstanding athlete, but took keen interest in all phases of student affairs. She was President of the girls' athletic association, co-chairman of the committee to organize activities for graduation day, Secretary of the Aletheia Club, and recording Secretary of Sigma Eta Phi sorority. While Up The Hill, Dee has played with the Varsity basketball team and is active in Red 'n' Black. With her record of interest, activity, and experience, Dee would be an excellent representative of the Sophomore Class.
