Ottawa, October 5th, 1926

My dear Nicholson:

I find it very hard indeed to answer such an impressive letter as is yours of the 28th September.

In retiring from the Leadership of the Conservative party, I beg of you to believe that no other motive has animated me save a desire to serve the ultimate interests of that party, and thus to serve this country.

Of George B. Nicholson it can be said that no man ever entered the House of Commons who devoted himself more assiduously and with greater energy, or in a more unselfish spirit, to public service. Already you have had success, and nothing but success can be the final consummation of wisely directed efforts such as you give to everything you undertake.

Yours very truly,

George B. Nicholson, Esq.,
Chapleau,
Ontario.
