The Rt. Hon. Arthur Meighen, K.C.,
The Senate,
OTTAWA.

Dear Mr. Meighen,-

I thank you for your letter and enclosures in connection with the new Insurance Bill and the position of Lloyd's under the clauses incorporated in it.

It would appear to me that very little advantage would result to Lloyd's if the amendment is so passed, although there may be some people who will not agree to this.

I am returning herewith the Financial Post article which you sent me in your letter.

Thanking you, I am,

Yours very truly,

R. K. Anderson
