Hon. Senator W. H. Dennis,
The Halifax Herald,
Halifax, N. S.

My dear Senator:

I am taking the liberty of sending you copy of a letter which I wrote yesterday to Mr. John W. McConnell. I do not want this published, but as there is considerable misapprehension in the press as to the fundamentals of this issue, I thought you might like to read it. I am not saying there is any misapprehension on your part or on the part of The Herald, but I thought you might like to read this statement of the situation.

Yours very truly,

AM/E.

Arthur Meighen.
