Our dollar worth a  
dollar anywhere. Not gold.  
As long as we export  
more (and get paid for the  
Exports) than we import  
we need not worry about  
the Canadian \$1.00 gold  
or no gold. The tariff  
is our best method of  
keeping such a state of  
affairs about. That is  
why I am a protectionist  
and therefore a Tory.

reasons) Reuel
