

234884.

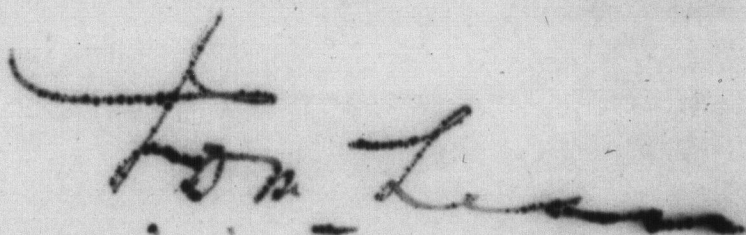

Ottawa, 12th July, 1904.

Sir,-

Referring to your letter of the 7th instant, I have to say that you may engage any duly authorized Land Surveyor in the locality to run the boundary of the Eel River Reserve in dispute.

It would be well to engage a Surveyor who would be satisfactory to the Indians. In all probability his line will coincide with Mr. McMillan's, and thus the question will be set at rest.

Your obedient servant,

Secretary.

W.D. Carter, Esq.,

Indian Superintendent,

Richibucto, N.B.
