

240050/2.

Ottawa, 3rd October, 1904.

Sir,-

I beg to acknowledge the receipt of your letter of the 24th ultimo. The letter to you of the 15th ultimo should have stated more clearly that when you returned to Prince Albert, after the conclusion of the whole of your season's work, it was desired that you should send your report of that work before commencing to make up your plans and returns.

I shall feel obliged if you will be good enough to accordingly send the desired report at the end of the season.

Your letter is dated, as above stated, the 24th ultimo. You conclude by saying that you hope to finish your season's work in a day or two. I have to draw your attention to my letter of the 28th ultimo in which you were requested to continue at work with your party in the field until the end of the season.

Enclosed herewith is a portion of the Dominion map showing the district in which the Keheewin Reserve is situated. Kindly plot its correct position thereon, and return the plan as soon as possible, as it is immediately required in connection with information asked for by the Department of the Interior regarding the limits of a proposed timber license in that locality.

J. Lestock Reid, Rsq., D.L.S. Your obedient servant,

Prince Albert, N.W.T.

L. D. M. Lestock
Secretary.
