- Q. I have here a Sten Machine Gun and I would like to know if you can recognize this, if you ever saw this weapon?
- A. I know it from the strap.
- Q. Why do you recognize it by the strap?
- A. I know it because the strap is made of leather. We took it to the guardhouse and afterwards the number was taken.
- Q. Do you know that number?
- A. I remember the letters "RN", I cannot remember the numbers.
- Q. Would you be able to state this machine gun.....
- A. Show him the gun, ask him what it is.
- Q. WILL you have a look at the gun here first?
- A. I remember the number when I had a chance to see it.
- Q. Det: That is hardly evidence.
- A. Put your question again Mr. Kennard, ask him if he recognizes that Sten Gun.
- Q. Do you recognize this Sten here?
- A. Yes sir.
- Q. Why do you recognize it?
- A. By the leather strap.
- Q. Where did you first saw that Sten?
- A. In the garden.
- Q. What happened then after St. Pierre picked up the Sten?
- A. We then made for the truck so as to bring the accused back to the guardhouse.
- Q. And then?
- A. When we got to the truck St. Pierre was asked to get into the rear of the truck but he signalled that he would rather climb sit in front between the driver and St. Pierre.
- Q. What about you?
- A. I sat in the back.
- Q. What happened then?
- A. When we got to the Detention Barracks I got off the truck to take care of the accused, St. Pierre also got off for the same reason.
- Q. What took place then?
- A. As I got to the door I heard St. Pierre signally to the driver that he should drive on.
- Q. And then what happened?
- A. The driver mentioned, got off his truck. Then St. Pierre made a jump for the driver's seat when I saw that I started around the truck but as I was getting there St. Pierre was driving away.
