Re: Chemainus I.R. No. 13 - Standard
Logging Company - Licence No. 266

Further to my letter of May 15th, the Department has advised that the above licence should exclude the three parcels comprising approximately 238 acres which were not surrendered. A renewal licence may be issued when you have reached an agreement with the Company with respect to the area on which they should pay ground rental at the rate of 20¢ per acre, and when ground rental and renewal fee have been paid.
