Queen Quality

Comfort and Style.

When you try on a pair of shoes look for two things, comfort and style. You must have them both. Either one by itself is not enough. It is easy to make a stylish shoe, but it is very difficult to combine the two. To make a stylish shoe that is comfortable is the highest art.

A shoe may feel comfortable yet not fit properly. Now it must fit or you are sure to have trouble, and the better it fits the better it will wear.

The only shoe that "fits where all others fail" is

"QUEEN QUALITY."

If you want twice as many chances in selection try Queen Quality. ...SOLD BY...

LACROSSE

There will be a full practice of the lacrosse club this evening. Every player is requested to turn out.

FOOTBALL

The final game of the Peninsular League spring series comes off Thursday at Sandwich for the Walker trophy. The Chatham club will be accompanied by an accomplished crowd of specially trained rooters, who will yell the green and white to victory. The Sandwich aggregation is no weak one and the local team will put on its strongest possible team. Sandwich has to secure two more goals than Chatham to win out, while Chatham can win by holding things even. The team held a fairly good practice last night and the scrubs will likely give the leaguers a game to-night if weather permits.

BASEBALL

The crack Varsity baseball team, of Toronto, which is on tour, will visit Chatham on Thursday next to give the C. M. C.'s a game. Manager P. W. McAuley will have his team strengthened with the best possible. Depew will likely pitch. This will probably be the best exhibition of baseball of the season, and all baseball enthusiasts should turn out to see the game. see the game.

THE APPEAL FAILS.

PRINCE EDWA?D ISLAND RE-PRESENTATION.

The Supreme Court Decides that Parliamentary Representation is Subject to Variation at Each Decennial Census.

Ottawa, June 9.-The Supreme Court yesterday gave judgment in the yesterday gave judgment in the case regarding the representation of Prince Edward Island in the House of Commons. The question submitted was whether the representation of Prince Edward Island should be decreased on account of failure to maintain its proportionate increase of population. This would give the island four members, instead of six, as at present.

four members, instead of six, as at present.

The actual wording of the question was as follows:—"Although the population of Prince Edward Island, as ascertained at the census of 1901, divided by the unit of representation ascertained by dividing the population of Quebec by the number 65, is not sufficient to give to the said Province of Prince Edward Island six, members in the House of Commons, is the representation of Prince Edward Island in the House of Commons liable, under the B. N. A. act of 1867 and amendments thereto, and the terms of union of 1873, under which the Province entered confederation, to be reduced below six, the number of members from the said Province fixed by the said terms of union of 1873."

This question the court answered in the affirmative, leaving the representation of the island subject to variation at each decennial census. The case was argued by Mr. A. B. Aylesworth K.C., Hon. Mr. Peters, Attorney-General, and Mr. T. Bayfield Williams.

LOSSES BY FIRE.

Barns Burned by Lightning-Bad Blaze at Sault Ste. Marie.

Sault Ste. Marie, Ont., June o. Bussman, Myers & Wakkins, lawyers, in the vecond story, and a residence flat of the third. The block was built of stone and valued at about \$35,000. The whole loss will reach nearly \$70,000, partly covered by insurance.

Southwold, June 9.—During a thunderstorm, which passed over this section. Sunday afternoon, the barn, sheds and stables of Jas. McFarlane, about one mile west of the village, were destroyed by fire.
