

# How to say "No!"

Mark Your Ballot with an X after Each Question under the word "No"

|---|---|-----|----------------|
| 1 | Are you in favour of the repeal of the Ontario Temperance Act?  | YES | NO<br><b>X</b> |
| 2 | Are you in favour of the sale of light beer containing not more than two and fifty-one one-hundredths per cent alcohol weight measure through Government agencies and amendments to The Ontario Temperance Act to permit such sale?   | YES | NO<br><b>X</b> |
| 3 | Are you in favour of the sale of light beer containing not more than two and fifty-one one-hundredths per cent alcohol weight measure in standard hotels in local municipalities that by a majority vote favour such sale and amendments to The Ontario Temperance Act to permit such sale? | YES | NO<br><b>X</b> |
| 4 | Are you in favour of the sale of spirituous and malt liquors through Government agencies and amendments to The Ontario Temperance Act to permit such sale?  | YES | NO<br><b>X</b> |

Above is an exact reproduction of the Referendum ballot, showing the correct way to Vote in order to sustain the Ontario Temperance Act as it stands.

Everybody should study the four questions and realize exactly what they mean. Do not be misled by the insidious demand for "light" beer.

The beer of the ballot is 118% stronger than the Ontario Temperance Act now allows, and over five times as strong as the limit allowed for beer defined as non-intoxicating in Great Britain and the United States.

## Answer Each Question

1. Unless you vote on every question your ballot is spoiled.
2. You must mark your answer to each question with an "X" only. Anything else would spoil your ballot.
3. Unless a majority vote "No" on question 1 the bars will be restored and the sale of all kinds of intoxicants permitted.
4. Unless a majority vote "No" on questions 2, 3 and 4 the Ontario Temperance Act will become almost worthless.
5. The only SAFE course is to mark your ballot as shown above.

## "No!"—Four Times—"No!"
