Opppsition Hold County as Result of Yesterday's By-Election

Their Candidate Has 47 More Votes Than Mosher

Government Candidate Loses in St. Martins and Lancaster

Great Rejoicing Among Opposition Workers at Fairville

The result of yesterday's by-election in St. John county was a third defeat for the Hazen government since it assumed the reins of power in New Brunswick. A. F. Bentley of St. Martins succeeds Hon. H. A. Mc-Keown, now judge of supreme court of New Brunswick, as the representative of St. John county at Fredericton. Mr. Bentley's majority over J P. Mosher, the government candidate, was, according to the returns received by The Sun, 47 votes. The returns are as follows:

From the above it will be seen that the government candidate carried Musquash and Simonds parishes but met defeat in the two more populous parishes, St. Martins and Lancaster. The first named parish was the home of both candidates, and in it the con government supporters prophesied that keep them informed of any illegal position votes, Mosher was beaten by cality.

In the general elettion of 1908 the of raising our requirements for regiscandidates of the present government were defeated in every parish. The total number of ballots cast in yesterday's contest amounted to 2,097. In March, 1908, about 2,500 ballots were

cast. These figures show that the electors of the county took a pretty keen interest in the by-election Last night there was rejoicing in the ranks of the opposition. Hon, C. W. Robinson, the leader of the party, was at the Royal Hotel, which seemed to be the head-quarters for the opposition after the struggle. There ne received the congratulations of many friends on the victory his party had gained. Hon. F. J. Sweeney was also at the Royal The opposition party in Lancaster as soon as it became known that Mr.
