"I believe I was one of the first Practitioners of this city who recommended the use of the Frantagant Spring Water, and since that time I have prescribed it to a very large number of my patients with invariable advantage. "Two members of my family, of feeble and delicate constitutions, have derived marked benefit from the use of the Water, One liand nearly lost all power in the right arm, the result of a severe and protracted stack of Rhumntism; the other was excessively debilitated from derangement of the digestive and alimentary organs. "The administration of the Water is attended with the happiest result in constipation, arising from setentary habits, and in aged persons. "In heartburn, morning sickness, and the other complaints to which women are subject under certain circumstances, it acts most agreeably and effectually, but in these derangements, as well as where these is over action of the kidneys and bowels, it should be taken in smaller quantities at a time, but more frequently,

"From an extensive experience I am well antished with the operation of the Water; to week persons it is not preferable to any other of my the state of the water of the wa

"Sta.—Having during the year past used the Pantagent Water, so well known and so highly commended to public favor by many of our most emment Medical Practitioners, I can bear testimony to its satisfaction on my own immediate health, and doubt not its effect in contributing to strengthen and invigorate the consistation of three who may freely use it. The value of this water has been generally acknowledged in this community, and my own experience of its excellent qualities, fully warants me in giving my testimony to its busical effects.
