REGISTRATION IN KINGS CO.

County Registrar Mr. A. A. McNeil has completed his work of compiling the returns of registration for Kings County and forwarded his report to the government. In the County there were registered 6310 males and 7255 females, total of 13565. This leaves about ten thousand persons belonging to the county who have not registered, among that number are of boys overseas and in training in this county who were not called upon to register, all children under 16 years of age and all who were invalids who could not register them at their home.

It will thus be seen that Kings County has complied with the law thoroughly in regard to registration. Very few entered any objection to the measure and we think but few have failed in their duty to comply with the act.

The information the government now has will be used only in conserving and properly distributing the male and female power we now possess to the best advantage of all and the proper carrying on of work at home and abroad in assisting in winning the war.

Kentville welcomes to its borders Capt. and Mrs. Larder and their daughter Miss Larder, of Halifax. Capt. Larder who lately bought the fine residence and fruit farm of Mr. Lloyd Meyrick at New Minas has just taken possession and moved his family here.

The Windsor Tribune says:—Two young invalid soldiers, Pres. McGrath and Armstrong came to Windsor July 1st, from the Sanatorium "on leave." They had liquor with them and put up at Armstrong's mother's house on Gerrish Street where they have been boarding. One of these youthful soldiers informed the Tribune that he had lost over \$60.00. He complained to the police. A warrant was issued and the house searched, but nothing was found and the soldier is penniless. The Chief offered to buy him a ticket to take him back to Kentville, but he and his chum are still in Windsor. The question naturally arises how it is that an invalid soldier may remain so long away from the San. Surely there is some person responsible for those who are there as patients. Leave of absence is all very well, but unlimited visitations to another town where they are liable to become stranded is neither good for their health or morals.

Recent word from the battle torn area tells relatives in Kentville that Lee Harvey who recently won distinction on the field of battle is still doing noble work for the cause of the allies. His brother Simeon Harvey is also in the forefront of the battle line. He left Kentville about 7 years ago and enlisted in the heavy artillery going with the first contingent. He has lately been out of the lines for three months on account of concussion wounds which for a time seemed serious but now he is again back with his company. Of the original members of his company only four are now left. These noble boys are sons of Engineer and Mrs. Edward Harvey.

The Old 'Homestead' Quartet

Third Day at Chautauqua
 Kentville, Aug. 2nd

Who is there that hasn't heard of the Old Homestead Quartet? This quartet, composed of Harry May, H. P. Alley, R. J. Ellsworth and E. A. Morrisfield, are on this year's Chautauqua program. They are, no doubt, the most widely known quartet in the country. They sing many of the old familiar songs like "The Old Oaken Bucket," with a harmony that makes a person wish for a program made up entirely of "The Old Oaken Bucket." All can enjoy the songs of the Old Homestead Quartet.

FRIENDS THOUGHT HE WOULD DIE**"FRUIT-A-LIVES" Conquered Dyspepsia and Restored His Health.****MR. ROBERT NEWTON.**

Little Bras d'Or, C.B.
 "I was a terrible sufferer from Dyspepsia and Constipation for years. I had pain after eating, belching gas, constant headaches, and did not sleep well at night. I lost so much weight—going from 185 pounds to 146 pounds—that I became alarmed and saw several doctors who, however, did me no good. Finally, a friend told me to try 'Fruit-a-lives'."

In a week, there was improvement. The constipation was corrected; and soon I was free of pain, headaches and that miserable feeling that accompanies Dyspepsia. I continued to take this splendid fruit medicine and now I am well, strong and vigorous". **ROBERT NEWTON.**

The McKinnic Operatic Co.

Kentville, July 31st.

The McKinnic Operatic Company is well-known in the Swarthmore Chautauqua towns. There is probably no other musical company that enters so wholeheartedly into their work. No other has given such complete satisfaction. Each member of the company is an artist. Many of the old Chautauqua towns will remember having heard the company before and can testify to their ability to give a good program. The members of the company are Burt McKinnic, baritone; Tekla Farm McKinnic, soprano; J. Allen Grubb, tenor; Adelaide Lewis, contralto, and Margaret Day, pianist.
