STREGS LUMBAGO CURE  
AN  
HUMAN REMEDY.

Guaranteed to Cure Lame Back or money refunded!

An excellent remedy for Rheumatism, Lame Back, Etc., Etc.

Read the following testimonial from a man you all know:

Forfar, Feb. 6, 1906

Mr. W. A. Singleton, Forfar, Ont.  
Dear Sir—Being laid up with lame back, I thought I would drop you a line to tell you that your St. Leg's Lumbago cure will do all you claim for it, as I have only used part of the bottle and I feel no returning symptoms of the disease.

I may say I have been troubled with lame back for the last ten years, and tried several other patent medicines but without results. I can heartily recommend it to any troubled with lame back, and I feel safe in saying that it's the cheapest medicine on the market.

If you are suffering from impure blood, thin blood, debility, nervousness, exhaustion, you should begin at once with Ayer's Sarsaparilla, the Sarsaparilla you have known all your life. Your doctor knows it, too. Ask him about it.

Unless there is daily action of the bowels, poisonous products are absorbed, causing headache, biliousness, nausea, dyspepsia, and thus preventing the Sarsaparilla from doing its best work. Pills are liver pills. Get good, all vegetable.

FRANKVILLE

May 6.—The writer recently saw a flock of several hundred red wing blackbirds. They should be welcomed, as the selfish sparrow has driven away some elegant birds. These sprightly visitors in early spring appropriate some grain of the farmers, but live chiefly on hurtful seeds and insects.

Some who tapped the maples on our streets, intimate they will not do so next year. Young trees with large tops to sustain cannot endure annual bleeding. Nature has her way of settling accounts with all who transgress her laws.

Walter Laverette, the obliging son of the post-master, is soon to take a position in the postal department elsewhere. He will be missed.

Mr. Jonas Bruce, Toledo, will soon be vigorously at work stone crushing on the roads of Kitley.

Our two mercantile firms here are fully abreast of the times, in having clean stocked with many varieties of fresh goods, and to be sold as low as in any of the towns. Come and see.

Mr. H. F. Judson happily recovered from a dangerous attack of pneumonia.

Mrs. Oliver went to visit friends in Toronto, and was present at the death of a sister there.

The well known Sheffield family are called "Shufel" by some who ought to know better. Why corrupt our English language and do injustice to a connection of people!

Dr. Kinney inspected the school, and part of "Arbor Day" was spent in improving the grounds.

The poets would say "winter lingered in the lap of spring," and longer than is convenient to the "Knights of the Soil."

IRON BLOOD PILLS

NATURE'S SPRING SYSTEM CLEANSER

As the neat house wife cleans her house every spring after being closed up during the winter months, so our system needs the cleaning of its impurities. Iron enters largely into the system and no better purifier can be used than a course of Lamb's Iron Blood Pills.—They give tone to the system, cleanse and supply new blood. Instead of a pale, sallow complexion the iron they contain supplies the lack in the blood corpuscles. A few boxes will cause a rosy cheek, a healthy look and new courage to do our daily work. Try them. 25c box or 5 boxes for \$1.00

Will Not Grant Licenses

The government has refused to grant licenses in the town of Midland, pending the appeal against the judgment quashing the local option by-law. It is said the government may not grant any licenses this year in municipalities where the by-law carried and was subsequently quashed on technicalities.

VALUABLE MEDICAL PRESCRIPTION

Recommended by a Well-known Toronto Doctor, Whose Love for Humanity is Greater than His Prejudice Against Proprietary Medicines.

The following very valuable prescription, by an eminent and successful physician, will be appreciated by many who are suffering from la grippe, cold, cough, pneumonia, or any throat, lung or stomach trouble, or run-down system, as it is a certain cure, and will save many a doctor's bill. It is almost a certain preventive as well.—"When you feel that you are aching cold or have chilly feeling or aching in any part of the body or head, or feel weak, tired, dizzy, unfit for work, pain in the head or back of the neck, do not neglect these dangerous symptoms, but send immediately to your druggist and get a bottle of Psychine (pronounced Si-keen), and prepare as follows:

Psychine, 2 teaspoonfuls.

Sherry, whisky or water, 2 teaspoonfuls.

Choice of the latter can be made according to the judgment and preference of the patient.

Mix thoroughly and take regularly before each meal and at bedtime." This prescription has been used in thousands of cases and has been so universally successful that a number of leading physicians regularly prescribe Psychine in their practice for any of the above troubles, or any run-down, wasting or constitutional difficulty. It is the most reliable and valuable home remedy. It tones up the entire system, giving a feeling of youthfulness and vigor, adding many years to the life of those who use it.

"Years ago I was almost a physical wreck and was suffering with lung troubles. Friends and neighbors thought I would never get better. I began to doubt myself. Losing faith in my physician, I secured another one who recommended the PSYCHINE. It was surprising beyond description the effect it had. I seemed to gain with every dose. Inside of two weeks I was able to attend to my household again. There are no symptoms of consumption about me now."

MRS. HENDERSON  
St. John, N.B.

"I had been suffering from La Grippe. My lungs were weak and I had a cough, but Psychine cured me."

MRS. H. BEAN  
Chopside, Ont.

Psychine can be procured from any druggist at 50c. and \$1.00. It is a very
