## Red Tag Sale.

ATTEND THE GREAT STOCK REDUCTION RED TAG SALE  
AT AUSTIN'S.

# \$30,000 Surplus Stock to be Cleared Out in Six Weeks

It is the unexpected that always happens, is an old saying. It has been proved true this year in regard to the weather. After the unusually severe winter weather which restricted every Spring trade, most people looked for an early warm spring, but it didn't come. As a result we have **\$30,000 Worth of Stock Here**, which we had calculated would be sold previous to June. We cannot afford to keep it here for several good reasons. **FIRST**—We need the room for other lines which will be coming in August, and which were contracted for months ago when prices were lower than they are to-day at the mills. **SECONDLY**—We need the money because a cash business needs prompt cash to buy in the cheapest market, and **LASTLY**, our policy is no matter what the loss, goods must be sold in the season they were bought for.

## WHY WE CALL IT A RED TAG SALE.

Because every article that is reduced has a red tag or ticket with the special price marked on it in plain figures so you can readily see whether you are buying goods at special prices or not. All Goods Marked in Plain Figures, and strictly one price to all.

# Sales Commences Wed'y, June 15
