"Cold to the Head"

system, strengthen the blood and render
them less liable to attack. Repeated at-

Chronic Catarrh.

MONCTON MAN HAD TO QUIT HIS WORK

Never Thought He Would Regain
His Health, But Tanlac Put
Him Back on the Job

Almost everybody in Moncton,
N. B., knows Evariste J. D. Le-
Blanc of 207 Robinson St., who is
book keeper at his brother's fab-
rication establishment on Main
street. He is one of the oldest and
most highly respected residents of
Moncton.

"I was ill for about two years—
so ill indeed that I had to give up
work for a while year, and never
thought I should ever start again,"
said Mr. LeBlanc to the Tanlac
representative who had heard of
his remarkable recovery and called
to see him at his place of business.
"I suffered from shocking stomach
trouble. I can never tell you all
that I went through and suffered.
If ever I ate anything like a decent
meal, I was seized with pains in
the abdomen. For hours after-
wards I would be greatly dis-
tressed and also have peculiar di-
rexy feelings. I had but very feeble
appetite and came at last to lose
the sight or smell of food. I was
very weak and thin and must have
lost a great deal in weight. I also
suffered a lot from rheumatic
pains in my legs and knee joints.
As all my friends knew I was in a
deplorable condition, and really
despaired of ever getting my health
back again.

"I had read in the papers of so
many people who had gotten re-
lief from stomach trouble similar
to my own case by taking Tanlac,
that I went along to my friend and
bought a bottle. It certainly did
wonders for me. My rheumatism
disappeared entirely and I have
not had pains in my legs or knee
joints since. What surprised me
even more was the way it settled
my stomach trouble. I began to
assimilate my food properly and
could eat quite a hearty meal with-
out any distressing after effects.
My appetite rapidly increased and
I quickly got stronger until now
I have actually gained fifteen
pounds in weight, and am back
at my business again. My friends
all say to me, 'Why Evariste, how
well you look; you are getting
quite fat, and I must say that I
am feeling better today than I
have for years past. Tanlac has
been a real boon to me and I take
great pleasure in giving you this
endorsement.'"

Our school is progressing favorably
under the management of Miss Kee-
har of Westmorland Co.

Harmon Carvell & Son have their
potato house nearly completed.

Mr. Bell, the Baptist minister of
the Centerville group of churches, has
been most unfortunate, having been
quarantined for several weeks. There
has been no preaching in the Baptist
church here for two months, but we
are hoping he will soon be out again.

WILLIAMSTOWN

A Rally Day service for the com-
bined Sunday schools of Centerville,
Bloomfield, Lakeville and William-
stown was held in the Methodist church
on Sept. 26 at 3 p.m. Ideal weather
and road conditions prevailed and the
church was filled to its capacity by
a representative gathering of teach-
ers, superintendents and scholars from
the four places. The church was
lavishly decorated for the occasion
with flowers and autumn leaves. An
interesting and pleasing program was
presented. Among features worthy of
special mention were the duet sung
by two young ladies of Lakeville, a
duet by a boy and girl from Bloom-
field, a recitation by Miss Dora Fryer
of Williamstown, a timely and prac-
tical paper on "Rally Day" by Miss
Geo. R. Smith of Lakeville, personal
remembrances by Wm. Ames of Lake-
ville, and a five minute talk to the
children by the pastor, Rev. Hugh
Miller. Miss Mollie Gody graciously
presided at the organ. A roll call of
schools by classes showed the follow-
ing results as reported by teachers:
present: Centerville, 5 classes, 15 en-
rolled; Bloomfield, 5 classes, 45 en-
rolled; Lakeville, 3 classes, 30 en-
rolled; Williamstown, 4 classes, 30
enrolled.

Mr. and Mrs. Colin Bolton and Mr.
and Mrs. Robert Harvey of Dover,

vey, Miss Laura Anderson of this
