HEAVY SALMON SHIPMENTS

Large quantities of fresh salmon are being shipped from here to the Boston market. About 10 tons were shipped last week and the shipments are so heavy that fish dealers here find it difficult at times to serve local demands.

The heavy shipments across the line also tend to keep up the price here.

BASEBALL

A fast and exciting game of Baseball was played last Friday evening on the Farrell Field between Millerston and Newcastle. Both teams played good ball and the Newcastle team won over their opponents by a score of 3 to 2.

LEGAL SIZE BERRY BOXES

Mail and Empire: It may be interesting to purchasers of berries to know that the legal quart box should be 5 1/2 by 5 inches at the top, 4 by 4 inches at the bottom, and 3 inches deep. The short box, which is not to be allowed this year, is 4 1/2 by 4 1/2 inches at the bottom, and 2 1/2 inches deep. This berry box question will cause some contention and perhaps some prosecutions.

MINSTRELS

The Band and G. W. V. A. Minstrels will be at the Opera House on Thursday, June 16th in two shows, one in the afternoon at 3.30 and the other in the evening at 8.30. "The Day of a Thousand Laughs," which is a recited-time Southland show will be presented. The members have put in some hard practice and deserve the patronage of the public. Fill the Hall and encourage both organizations.

Hall's Catarrh Medicine

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions.

NARROW ESCAPE

One of the local C. N. R. Freight Shed Clerks had a very narrow escape from drowning recently while trout fishing at Indiantown. The young man fell into the river and but for the timely assistance of a resident of Indiantown who fortunately was with him, it is very probable that a sad fatality would have occurred.

DISTILLED IN A WASH BOILER

Chatham World: Foblan Bourque of Portage River, was sent to jail on Thursday for two months in default of a fine of \$200 and costs for distilling liquor in a wash boiler at his home. He might make big money selling in secret to persons desirous of getting in to the manufacturing business but who haven't got the money to buy a costly still.

POWER PLANT PROGRESS

In about a month from now the power plant at Nepisiquit Great Falls should be ready for operation. The two great generators are now in place as also are the transformers, the rotors, and everything else connected with the great plant.

In addition to that the transmission lines from the Falls to the town are strung almost all the way, the gap being a very slight one and capable of being covered in a very short time. No announcement has yet been made on the subject but it is safe to predict that the new power plant will be in operation in about thirty days.

N. A. A.—NOTES

The executive of this association has been busy for the past couple of weeks. The membership campaign, which is still on has been very successful and we have now over 100 members for the ensuing year.

The Farrell Field has been rented for the summer months for a temporary athletic field, and a new baseball diamond has been laid out. This diamond has been skinned and leveled, and is now in pretty good shape. The first game was played on it on Friday last when a local team, the Millionaires beat the Millerton team in a close and very interesting game, by the score of 3 to 2. Both teams were well pleased with the new diamond, and state that it is a great improvement over the old one.

With the new diamond in shape, it is expected that the local baseball league will soon get under way. Three or four local teams have entered the league. The games start this week and the Athletic Association is confident that a great deal of interest will be taken in these games between the town boys.

HONORARY COLONEL

STORES CLOSE

JULY 1ST RACES

The big event for July 1st, will be the horse races which are to be held on the Chatham Speedway. There will be four classes with all the local fast ones taking part, and the meet will be held under the management of Messrs. Sargeant and Dalton.

PROVINCIAL SITUATION

The decision of the Appeal Court in the Restigouche election case create an interesting situation in provincial politics. Two members will be added to the opposition strength—should Messrs. Stewart and D'Entree take their seats, as seems likely, for it is said no appeal can be made to the federal Supreme Court. The Conservatives and the Farmer-Labor representatives will number twenty-three against twenty-four government supporters, with one Northumberland seat vacant. The by-election may therefore be invested with unusual importance. Several of the independents gave more or less support to the government in the last session of the Legislature, and may continue to do so.
