**THE "Corona" Range**

A Perfection In Range Building

The Corona is the result of years of experience to build a range that would give greater satisfaction and service to the user

The Fire-Grates are extra heavy---therefore lasting longer.

The Oven large and roomy and covered with asbestos millboard.

The Reservoir is made of 14-ounce tinned copper, which will not rust, enclosed in cast-iron casing.

A little higher in price than the ordinary range but well worth the difference. Ask those satisfied users what they think of it.

Why not get a "Corona" and enjoy satisfaction

A GOOD MEDICINE FOR SPRINGTIME

Do Not Use Harsh Purgatives A Tonic is All You Need.

Not sick—but not feeling quite well. That is the way most people feel in the spring. Easily tired, appetite fickle, sometimes headaches and a feeling of depression. Pimples or eruptions may appear on the skin, or there may be twinges of rheumatism or neuralgia. Any of these indicate that the blood is out of order—that the indoor life of winter has left its mark upon you and may easily develop into more serious trouble.

Do not dose yourself with purgatives, as many people do, in the hope that you can put your blood right. Purgatives gallop through the system and weaken instead of giving strength. Any doctor will tell you that this is true. What you need in spring is a tonic that will enrich the blood and build up the nervous system. Every dose of this medicine helps to enrich the blood, which cleans the skin, strengthens the appetite and makes tired, depressed men and children bright, active and strong. Mr. Harry R. Robinson, Cruikshank, S. A. K., says:—"My blood was out of order and I was nervous and run down. I got a supply of Dr. Williams' Pink Pills and after taking them for a while they fully restored my health. I am now feeling fine and have no hesitation in recommending these pills to all who are feeling unwell."

Her many friends join in wishing them a long and happy wedded life.

FOGG—THOMPSON

A very pretty home wedding took place Saturday evening at the residence of Mr. and Mrs. E. Bridge Thompson; Centre St.; Old Town; Maine, when their only daughter Marion was united in marriage with Frederick M. Fogg, of Island Falls. Rev. C. D. Nutter performed the ceremony in the presence of a few immediate friends and relatives using the single ring service. The young bride looked charming in a dainty gown of ivory canton crepe and satin and bridal veil of net. The bridesmaid was Miss Edith Casey aunt of the bride who wore maize silk georgette trimmed with silk spanish lace. After the ceremony a dainty lunch was served to the guests. The bride received many beautiful presents including cut glass and silverware. Both Mr. and Mrs. Fogg have been employed in Greenville Me. for the past winter and have many friends as well as in Old Town where the bride is well known. Mr. and Mrs. Fogg will return to Greenville Me. where they will make their home.

CREDIT

An exchange tells the story of a grocer doing business in its city who offered to extend the credit of one of his customers. If it were not convenient for him to pay cash at the time. The man had been his customer for some time and had been paying his bills as regularly as he found it possible; never being very far behind in his payments so that his custom was considered desirable. When the grocer made the offer of credit he received a surprise. His customer told him: "I don't want more credit. I want you to make me pay my bills. If I am left to myself I will run out of the store. I know it will stagger me. You mean all right and I appreciate your intention but you are not doing me a kindness in getting me to buy from you with out paying cash at the time or by the end of the week. I want you to keep after me until I become a cash customer. I know my failing and you can help me overcome it." An exceptional and a very unusual customer perhaps but he touched on a vital business issue.

It is far better for a man to understand that he must face his financial obligations promptly. It is largely a matter of habit unless he happens to be overtaken by sickness or misfortune. Merchants who offer credit would often confer a favor on their customers were they to point out to them instead the advantage of paying their bills promptly for only those who do so are likely to escape the increasing burden of debt that ruins so many lives and to accumulate savings and thus enjoy the prospect of a comfortable old age. A cash business enables the merchant to meet his own obligations more promptly; enabling him to buy more cheaply and to contribute in no small degree to the general prosperity by diminishing the general volume of credit in the community.
