eife, which and event took place very suddenly on Friday night hast.

As official impection of the tenement issues of New York shows that there are \$2,900 of them inhabited by 1,073,739 people, of whom 142,519 are under five years of age.

While St. James street, Montreal, was crowded, on the 28th ult., three men harred J. B. Picken & Co's banking house from outside, broke the plate glass, secured \$700 and escaped.

A DESPATCH from Racine, Wis., says: Jay-Eye-See, the famous pacer, cut his foot with a piece of glass in the pasture and nearly bled to death. His recovery is doubtful. He is valued at \$50,000.

On Saturday afternoon last the hose was stached to a hydrant near the new city building, and the water was easily thrown to the top of the tower. Afterwards a stream was thrown several feet higher than Weish & Owen's brick building on Lower Queen Street, the hose being attached to a hydrant in the neighborhood.

Ottawa advices state that the new visiter atcamer Stanley will run between samerside and Point du Chene as long as an can. She will then come to Charlotteters and run between here and Pictou until the fee prevents her, when she will ply between Pictou and Georgetown or Souris.

will notice that three-touriss of the mess-on trees grows on the north side; the hea-viest boughs on spruce trees are always on the south side; and thirdly, the topmost twig of every uninjured hemlock tips to the east. You just remember those things,

Says the Hallfax Chronicle of Saturday Says the Halifax Chronicle of Saturday:
The steamer Halifax miled yesterday moring for Boston with a full cargo, and, for
this season of the year, a large passenger
list. Nearly all the passengers took firstclass tickets, and every statercom on the
main deck was engaged at \$2.50 each; even
the chief steward was obliged to give up
his statercom to passengers. The staterooms of the Halifax are very large and
richly furnished and each one has a large
lamp and electric light (incandescent) as
well.

well.

This steamer Worcester, Captain Nickerson, delayed by the storm, arrived from Boston, vis intermediate ports, on Saturday afternoon last. Her cargo consisted of 4000 packages merchandize. The passengers for this port were: P. Feley, Miss A. Martin, Miss S. Ross, Miss McWade, Mr. A. Downing, Mr. William DeCourcey, Mr. H. DeCourcey, Miss Christie McDouald, Mr. J. Hennessey, Mr. F. McCarthy, Mr. J. Stephenson, Mr. A. McKenzie and Mrs. Gardiner. She sailed for Boston Monday afternoon with freight and passengers. This will probably be her last

Scriby, Mr. J. Stephenson, Mr. A. McKinnon's, Coleman Station.

A Miscriptor of the League of the Cross was held in St. Patrick's Hall on Sunday evening last. Rev. Pather McLean, Vice-President, president, being prevented from attending on account of indisposition. The meeting was addressed at some length by Father McLean, on the working of the League and the belief the Montrol to make it a mocess. Suitable remarks were also made by Mr. John McLean, and the was decided and had the pledge administrated to those who had no hitherto received them.

Shorthy after developed them.

Shorthy after opine of the same and mount of the same and the station of a surpassing character. It is far and away also of the same also made by Mr. John McLean, and its was discovered that the tailoring store of Mr. Form, in Councily's Building, queen Street, was on fire. The capital control of the same also on the scene, and step, terrethe with the state or form a measurable of the part of the part of the part of the same and other attraction of a surpassing character. It is far and away shaded of anything yet published for form and the scene of look on Friday ingible hasts an alsor of fire was sounded.
