**Knock Down Motor Engines!**

4 H.P., \$110.00; 8 H.P., 2 Cylin-  
der, \$175.00.

A new idea in Motors.  
We have secured the agency for the celebrated  
"Knock Down" Motor Engines. Each part of these  
engines is made so perfect that it is not necessary to  
assemble and test the engine before shipment. You  
save the cost of all that work by doing the work your-  
self.

All parts of the engine are carefully packed and  
shipped just as they come from the automatic machines  
at the factory—not even painted—full directions for  
assembling, including a picture with number and name  
of each part, are sent you. The Company guarantees  
that every part will fit perfectly, and that any man  
who can read English and use a wrench can set them  
up.

These engines are guaranteed exactly the same as  
common engines that have been fitted and tested at  
the factory and sold at double the price. Why not  
save a month's wages by setting up your own engine?  
These engines are 2 cycle. Terms: half cash with  
order, balance on arrival.

On rush orders, can wire order and have engine  
sent by express.

**WATERPROOF ENGINES,**  
Four Cycle.

Here is what you have been looking for, a special  
Four Cycle Engine, specially fitted with a waterproof  
ignition system, at a price to meet all competitions.

1 CYLINDER 2 HORSE POWER . . . . .	\$ 70.00
2 CYLINDER 4 HORSE POWER . . . . .	130.00
2 CYLINDER 8 HORSE POWER . . . . .	190.00
3 CYLINDER 6 HORSE POWER . . . . .	175.00
3 CYLINDER 12 HORSE POWER . . . . .	240.00
4 CYLINDER 16 HORSE POWER . . . . .	295.00

These Engines come set up ready for use.  
Everyone knows that a Four Cycle Engine will  
produce the same power on much less fuel than any  
two Cycle Engine made; it will also be much cleaner.  
The only objection to Four Cycle Engines has been  
the difficulty of keeping the ignition dry in wet weath-  
er; this objection is overcome in our "WATERPROOF"  
Engines. A big advantage in having two or more  
Cylinders is to reduce vibration and give steady power;  
a smooth running Engine will last much longer  
than any other.

Write or wire if interested.  
Two shipments of Engines now on road, expected  
here by May 25th. Wire your order.

**ST. Louis Cash Registers!**

We have secured the Agency for the St. Louis Cash  
Register line. These are not second-hand or rebuilt  
machines, but are new Registers, built in a new Fac-  
tory, and are sold at about half the price of the com-  
mon registers. Now is your chance to get a New  
Register right from the Factory at a reasonable price.
