Bonds Proposition -- President's  
Message to Congress -- Fight for  
Domination by Italian Deputies  
--Textile Strikers Return to Work  
--British Field Marshal Dead.

### NO LOTTERY BONDS.

LONDON, Dec. 1.  
By a substantial majority of 193 the  
House of Commons to-day decided  
against the proposition to float Pre-  
mium Bonds in order that the Govern-  
ment might raise the needed money.  
The vote was 193 to 107, against the  
announcement of the figures of the  
decision of the chamber was a po-  
lar one.

### ARMED WARSHIP OFF DALMATIAN COAST.

COPENHAGEN, Dec. 2.  
A number of allied warships were  
seen off Salatisia on the Dalmatian  
coast on Sunday, according to a  
despatch.

### THE REDS AND THE WHITES.

ROME, Dec. 1.  
The struggle for the domination of  
the Italian Chamber of Deputies has  
developed into a fight in which the  
Socialists and Catholics had been de-  
termined to fight. The Socialists to-day  
were red carnations, while the hun-  
dred members of the Catholic party  
appeared in the Chamber with white  
carnations. The first real test of  
strength will come to-morrow when  
the chamber elects the president and  
other officers.

### SHIPPING IN TROUBLE.

BOSTON, Dec. 2.  
A radio message intercepted at  
the Race and forwarded to the navy  
communication office here to-night  
stated that a steamer which had de-  
veloped engine trouble was flying a  
stress flag and was in need of as-  
sistance in latitude 44° 55' north,  
longitude 61° 39' west. The name of  
the vessel was not given. A message  
from the Portuguese station at Port-  
land told of the sinking of an un-  
armed schooner one mile south-east  
of Monrohan Island. There was no  
loss of the crew.

### WILSON'S ADDRESS.

WASHINGTON, Dec. 2.  
A general recommendation on legis-  
lation to combat the cost of living,  
unrest, radicalism and the  
adjustment of the nation to a peace  
basis, were the features of President  
Wilson's annual message to Congress.

warded by registered post.

jects. Labor must no longer be treat-  
ed as a commodity. The right of the  
individual to strike is inviolate, con-  
tinued the message, and ought not to  
be interfered with by any process of  
Government; but there is a predomi-  
nant right, and that is the right of a  
Government to protect all of its peo-  
ple and to assert its power and majesty  
against the challenge of any class. The  
message closed in a pointed reference  
to radicalism and Red doctrines, and  
referred to Russia to-day with its  
blood and terror as a terrible object  
lesson of the power of minorities.

### VOTES AGAINST INCOME TAX.

LONDON, Dec. 2.  
The South Wales miners have voted  
by a slight majority in favor of a  
strike over the question of enforcing  
the raising of the incompetent relief  
limit to two hundred and fifty pounds  
annually.

### WILL NOT TAKE ACTION.

CARDIFF, Wales, Dec. 2.  
At a coal miners conference here  
to-day it was decided not to take any  
action on the ballot by the miners  
favoring a strike in order to resist  
payment of income tax on incomes  
below two hundred and fifty pounds  
sterling annually pending a national  
conference which will be asked to  
ballot for the whole country on the  
question.

### ADMIRAL MIRANDA NEW PREM- IER.

MADRID, Dec. 2.  
Admiral Miranda, former Minister  
of Marine, will probably head the  
Spanish cabinet in succession to the  
ministry of Premier Toca which re-  
signed yesterday, according to re-  
ports in circulation during the night.  
When asked the reason for the re-  
signation of the Government Prem-  
ier Toca refused to make a state-  
ment. He appeared optimistic, how-  
ever, over the situation declaring  
there was no grounds for anxiety and  
that everything was proceeding  
smoothly.

### STRIKERS COMPROMISE.

FALL RIVER, Mass., Dec. 2.  
Cotton Mill operatives who struck  
yesterday for a twenty-five per cent.  
increase in wages returned to work  
having accepted a compromise of  
twelve and a half per cent. increase  
made by the manufacturers. The  
threatened strike in New Bedford  
where operatives had made the same  
demand was averted by the accep-  
tance of a like offer.

### THERE'S A LOT LIVING ON LESS.

NEW YORK, Dec. 2.  
One hundred and thirty British  
stewards employed on the British  
steamer Imperator recently returned  
to Great Britain by the United States  
Shipping Board went on strike to-day  
when the Cunard Line officials re-  
fused to continue to pay them three  
dollars a day sustenance while on  
shore. The men are members of the  
British Workers Union.

### EARTHQUAKE IN ASIA MINOR.

LONDON, Dec. 2.  
A serious earthquake occurred in  
western Asia Minor on Thursday,  
seven villages in the districts of Soma  
and Balikesir being destroyed, ac-  
cording to advices received here from  
Constantinople. Many persons were  
killed and injured it is stated.

### DELAYED AT PARIS.

PARIS, Dec. 2.  
The American delegation to the  
Peace Conference which was to have  
sailed for home on December 2nd has  
postponed its departure, it was learn-  
ed this afternoon. A considerable part  
of the personnel of the peace mission  
however, will leave Paris for Brest  
on the evening of December 5th as  
previously arranged. It is learned  
from a high authority that the change  
in the plans of the delegation is due  
to the failure of the Germans to sign  
the protocol ratifying the peace  
treaty. It is pointed out that if the  
treaty is not ratified the situation be-  
tween Germany and the United  
States as well as other Allied and  
associated powers goes back to the  
status created by the armistice.

### FIELD MARSHAL DEAD.

borough College, and admitted a Bar-  
rister of the Middle Temple 1874.  
Entering the Navy in 1872 he served  
in the Crimean War with the Naval  
Brigade, in which campaign he was  
severely wounded, receiving special

raised the Egyptian Army, 1883; saw  
service in Nile Expedition, 1894-95;  
filled several important army posts  
in England, retiring in 1905.)

### QUESTION OF FIUME RESERVED.

PARIS, Dec. 2.  
The Supreme Council to-day decid-

ed that the question of Fiume should  
not be settled in the Hungarian Peace  
Treaty but be reserved for final de-  
cision by the Allied and Associated  
Powers. This eliminates any objec-  
tions on the part of either the Italians  
or Jugo Slavs to signing the treaty on  
account of Fiume.

### DEATH OF STEEL MAGNATE.

NEW YORK, Dec. 2.  
Henry Clay Frick, millionaire steel  
manufacturer, died here this morning.

mine poisoning early in November.

Kerwood from New York for Hamburg

### The Lost Was Found.

A returned soldier, travelling by the  
cross-country train, en route to Mon-  
treal, lost a sum of money, amounting  
to \$85.00 while on the train. Some men  
who were also en route to Port aux  
Basques suggested that everybody  
aboard the train submit an account of  
his finances,—how much possessed  
upon leaving the city and how much  
spent since. This was objected to by  
some of the passengers, and upon ar-  
rival at Port aux Basques a court  
was called, Magistrate Squary pre-  
siding. Although it was not possible  
to convict anybody of stealing the  
money, so peculiar were the circum-  
stances, the amount was found in  
some mysterious way and forwarded  
on to the owner, who had meanwhile  
gone on to his destination.

## St. John's Resi- dent Describes His Daughter's Cure from Ecz- ema.

"I am more than grateful since  
using your wonderful D.D.D. for  
eczema. My little girl was troubled  
with weeping eczema. I used every-  
thing but to no use and thought  
D.D.D. would be of no use either.  
My girl's head became so bad I had  
to clip her hair off and keep her from  
school. She got sores all over her  
body. I used six bottles and am  
proud to say she is cured. Not a  
pimple or rash and her skin is clear  
and white and all the itching gone.  
I will recommend D.D.D. to any one  
I know who is troubled with eczema.  
I am ever so happy and thankful for  
your wonderful cure.

brated the 25th (silver) anniversary of  
their wedding on Sunday. Congratulations.

Mr. J. J. Hodgkinson, formerly

Capt. Sheppard, master of the schr.  
Borden, recently destroyed by fire off  
the coast of Spain, leaves for Rosalind  
to-morrow for Halifax, to bring down  
a new schooner for Capt. A. Kean.

Mr. F. Rioux, formerly general  
Superintendent of the Reid Newfound-  
land Co., who left here with the Regi-  
ment in 1916, will likely be detained  
in France for the Xmas season, as a  
lot of extra duties have devolved up-  
on the railroad engineers. It is not  
likely that he will get back here be-  
fore next spring.

THANKSGIVING DAY.—It was de-  
clared, at a meeting of the Trustees  
of Cochrane St. Church last evening,  
to have Sunday, the 14th inst.,  
Thanksgiving Day. Consequently ar-  
rangements for services on that day  
were made, and it is expected that

greater than that of last year.

## New Winter Footwear

Winter Models  
are distinctive

There is much to interest the discriminating woman  
in the newest models of fashionable footwear, for the  
style-makers have been alert to produce shoes of char-  
acter and distinctiveness.

Smart looking finishing touch to the costume of the well-  
dressed woman. And we could say much for the ex-  
ceptionally attractive styles that will prevail this fall.

Graceful of line and correctly proportioned, the  
nine-inch boot will doubtless be the favorite. These  
will come in all-leather of the finer sort, while kid  
vamps, with cloth tops to match, will find increasing  
favor.

Really, the showing of new models was never more  
attractive or comprehensive. Your early inspection is  
invited.
