## You Cannot Afford to Use Spurious Parts.

The Ford owner who allows any but genuine Ford parts to be used shortens the life and lessens the serviceability of his car. Manufacturers of spurious parts have no interest in the performance of the Ford Car, hence they feel free to make and sell parts that are inferior in every way to the genuine Ford parts made by the Ford Motor Company of Canada, Limited.

Do not let a small temporary saving blind you to the defects of these imitation parts.

Insist on the Genuine Ford Parts, and avoid frequent and costly repairs. Demand Genuine Ford Parts from

Evening Advocate: "The First Five Hundred, by Richard Cramm, is a volume which should certainly be in the hands of all 'who went across and came back' and of the relatives of those who sleep in Flanders Fields." nov19.21
