Two U. S. Planes Reach Iceland, But One is Forced Down.
 Inter-Allied Conference reaches settlement--Irish boundary commission may be appointed without sanction of Ulster--Two and a half millions lost in wages by Alberta miners owing to the strike.

ONE FLIER FORCED DOWN.
 HORNAPFJORD, Iceland, Aug. 3. The second United States world flier, Lieut. Lowell Smith, arrived here from Kirkwall, Orkney Islands, at 1.37 p.m. to-day. The third plane piloted by Lieut. Wade failed to complete the flight, when he was forced down into the water about midway. A trawler found and took his plane in tow. Lieut. Eric Nelson, American round the world flier with his mechanic, Lieut. Marding, Jr., arrived here in the New Orleans shortly after four o'clock Saturday afternoon.

U. S. FLIERS STRUCK HEAVY FOG.
 KIRKWALL, Aug. 2. The American army airmen on their world flight struck heavy fog off the north coast of the Orkneys after setting out from Iceland early to-day and the planes became separated. Lieut. Lowell Smith and Lieut. Leigh Wade circled their machines for some time in a hunt for Lieut. Eric Nelson in the New Orleans who was apparently in the rear but not finding him returned to Kirkwall.

TWO FLIERS RETURNED.
 LONDON, Aug. 2. Lieut. Lowell H. Smith and Lieut. Leigh Wade, in the army airplanes Chicago and Boston, returned to Kirkwall after setting out for Iceland this morning in continuation of the world flight, says a despatch to the Exchange Telegraph from Kirkwall, having lost the New Orleans.

commanded by Lieut. Eric Nelson, in a fog 25 miles off the Orkneys.
NELSON COMPLETED TRIP.
 On Board Cruiser Richmond, Aug. 2--United States destroyed Reid, stationed midway between Faroe Islands and Iceland, reports this afternoon that Lieut. Eric Nelson in the New Orleans was passing over, headed for Hornapfjord, Iceland.

SETTLEMENT REACHED.
 LONDON, Aug. 2. A complete program for launching the Dawes Reparation settlement plan was agreed upon by the Inter-Allied Conference during the half hour plenary session at the foreign office this morning. The Allied Premiers and United States Ambassador Kellogg took up the technical points with which experts had vainly struggled in two all night sessions, and after modifications, which Premiers MacDonald and Herriot accepted a compromise settlement was reached.

THE MINERS' LOSS.
 EDMONTON, Aug. 3. The strike of miners in the Alberta coal mines has caused a direct loss to the miners of something like \$3,500,000 in the four months which the strike has been operative, according to an estimate of John T. Sterling, Chief Inspector of mines for Alberta, based on the loss in coal production as compared with the same four months of 1923. The strike was called April 1 and with August enters

upon its fifth month. The economic loss averages \$225,000 a month for the whole period.

WILL OVERRIDE ULSTER.
 LONDON, Aug. 3. The conference yesterday between Prime Minister MacDonald, of Great Britain, and President Cosgrave, of the Irish Free State, for the purpose of finding a solution to the Irish boundary problem, produced no results, it is understood. The Government, it is understood will proceed with its plan to introduce a bill which sanctions the formation of the boundary commission without the participation of Ulster.

THE NEW BISHOP OF WESTMINSTER.
 LONDON, Aug. 2. The appointment of Canon E. W. Barnes, of Westminster as Bishop of Birmingham, which was announced yesterday, has created a big stir among the members of the Anglo-Catholic party of the Church of England on account of the alleged extreme modernist views held by the new Bishop. The Church Times declares that Bishop Barnes is the constant and not too fair critic of the Catholic revival, and he has had no experience in Parish work. Further, the Church Times asks, is the work of the Lord to be threatened by a Bishop from whom nothing can be expected but criticism and misunderstanding? Bishop Barnes first earned prominence by a sermon which he preached before the British Association for the Advancement of Science, when he rejected the Book of Genesis as an historical narrative.

SASKATCHEWAN'S PLEBISCITE RESULTS.
 REGINA, SASK., Aug. 2. With completed official returns in the Saskatchewan liquor plebiscite received for 56 out of the 60 constituencies, the majority against prohibition is now 34,516 and the majority in favor of Government control is 9,552. The figures stand as follows: For prohibition, 83,216; against prohibition, 117,732. For Government control, 39,831; for Government control and beer licenses, 80,079.

THE WEEK'S FAILURES.
 TORONTO, Aug. 2. Failures in Canada and Newfoundland according to R. G. Dun and Company, totalled 33 during the week ending August 1st, as compared with 64 in the corresponding week of 1923. The Provincials last week which reported failures were as follows: Ontario 12, Quebec 9, Manitoba 1, Alberta 5, British Columbia 2, Nova Scotia 1, New Brunswick 1, Newfoundland 2.

CONCILIATION BOARD GRANTED.
 WINNIPEG, Aug. 2. Hon. Jas. Murdock, Minister of Labor, has granted a board of Conciliation in the wage dispute between the Brotherhood of Railway and Steamship Clerks and the C.P.R. The hearing will be held in Winnipeg during the Ministers visit here next week.

WERE MENTALLY ILL!
 CHICAGO, Aug. 2. Richard Loeb was mentally ill on May 21, 1924, when he and Nathan Leopold, Jr., kidnapped and murdered Robert Franks, is testified on cross-examination to-day by Dr. William A. White. Judge John R. Caverly sustained an objection by Walter Bahrach of defence counsel, when Robert E. Crowe, States Attorney tried to learn whether the expert thought Loeb was insane. The same opinion was given as to Leopold. The session developed a sharp sparring match between witness and the prosecutor. Sometimes Mr. Crowe's questions elicited a smile from the doctor, again he complained they were meaningless, and at other times insisted upon going into lengthy explanations when the State's Attorney asked for a yes or no answer. That is impossible to give, was Doctor White's usual response to such attempts to pin him down.

MAKING GOOD PROGRESS.
 BUNDER ABAS, PERSIA, Aug. 2. Major Zanni, Argentine military aviator, who is attempting a round the world flight along the route mapped out by the British aviator, Stuart MacLaren, arrived here yesterday from Basra, Iraq. Since Wednesday Major Zanni has flown from Aleppo, Syria.

Make Way for "The Green Goddess"

NOW PLAYING AT THE NICKEL THEATRE.
 George Arliss in "The Green Goddess" is the highly attractive offering of the Nickel Theatre beginning to-day. Mr. Arliss, as is well known, is one of the most distinguished actors of this generation and also one of the very few who can draw patrons to a theatre on his name alone. "The Green Goddess," by William Archer, is doubtless the best play ever written for Mr. Arliss and this is saying a great deal when one takes into consideration the "Disraeli" of Louis N. Parker.

For two solid years "The Green Goddess" attracted thousands to the Booth Theatre in New York, outdistancing all but several plays during the greatest and most productive season in Metropolitan theatrical history. The photoplay has had a record-breaking run at the Sam. H. Harris Theatre, New York, equalling in every way its popularity as a stage play. "The Green Goddess" is listed as the greatest art achievement of the screen to date. For sheer compelling melodrama, superbly acted, and magnificently set, it is said that nothing has ever been done to approach this production.

The sets used in this photodrama are said to be the largest ever built in the East. An entire Himalayan street, two blocks long, was built for the mob scenes. A rock cliff 120 feet high was constructed for the airplane crash. The interiors of the Rajah's palace are magnificent to behold.

Tells of Missionary Work

The story of missionary activity in Canada and of the needs of the Missions in China was the subject of a discourse by Rev. W. C. McGrath, of the China Mission Seminary, Scarborough, at the R. C. Cathedral last evening. Father McGrath told of the founding in Canada some five years ago by Rev. J. M. Fraser of the present work for the foresight and the untiring efforts of its founder. Fifteen years of missionary life in China had served to convince Father Fraser of the great need for workers there, and he returned to Canada in 1918 to undertake the establishment of a seminary for the missions in China. The work is now under the direction of the Bishops of Ontario and enjoys the express approval of the Sacred Congregation of Propaganda.

Object of the work is to provide a permanent supply of workers for the mission field of China where such a vast amount of work awaits the missionary. A seminary has just been completed and here young men will receive the usual course in philosophy and theology as well as undertaking the study of the Chinese language. The speaker referred to the great deal of work that yet remains to be done, the establishment of schools and seminaries in China, and the erection at home a Juniorate, or place of training for younger students. He also hoped that a community of sisters would soon be enabled to work in the mission field as many applications had been received from young girls in Canada and in Newfoundland who were desirous of devoting their lives to the work of the missions of China.

The speaker concluded with an appeal on behalf of the missions and for those who were unable to speak for themselves, the missionaries who never return to their native land. He urged his hearers to help by their prayers and their material assistance in furthering the work of providing missionaries for China. Father McGrath returns to Scarborough this month where he will resume his work on the seminary staff until such a time as the next mission band is ready to take its departure for China.

London Audience Goes Wild

OVER OLD STAGE FAVORITE.
 LONDON.—(A.P.)—London critics are hailing with acclaim the return of Marie Tempest to musical comedy after an absence of 25 years in straight comedy roles. Her recent appearance in a comedy-fantasy occasioned an ovation on her every entry, and after the close of the last act Miss Tempest was kept on the stage for fifteen minutes while the

audience. English audiences are the most conservative in the world, expressed its appreciation by a gale of handclapping, cane pounding and shouting.

So overcome was Miss Tempest at her reception that once, during the second act, she completely forgot her lines, and was forced to improvise for several minutes, she confessed at the close of the evening. London critics said that the enthusiasm with which she was hailed was memorable.

Miss Tempest, who is 53 years old, first appeared on the stage in "Bocaccio," in 1855.
