

THE MEETING AND SOCIAL.—The members and friends of the Wesleyan Methodist church at Jackson's School House, Concession 16, Township of Peel, and in connection with the Arthur mission, held their first annual tea meeting on the 16th inst. After all partaking of the good things which the ladies had provided, the meeting was called to order by the Rev. R. Phillips, who moved that Thomas R. Clarke, school teacher, Minto, should occupy the chair, who, being put down in possession of an excellent programme, made use of it to the best advantage. The Alma choir gave some excellent music at intervals. Addresses were delivered by Rev. Messrs Philip and Gavin, and by Messrs John Anderson, R. Booth, and E. J. Clarke, all of Arthur, and F. A. Cull, of Kenilworth. The social on the next evening was also a great success; a free tea being given to the children of the school session.

The loss at the late fire at Ottawa is thought to be greatly over-estimated. All the papers relating to the British Columbia explorations were placed in another building some days previous to the fire, and are safe. An investigation will be made by the Government into the cause of the conflagration. The Ottawa Times says:—"We have great pleasure in thinking that the loss to the public will be brought to a minimum by the skill, knowledge and energy of Mr. Sandford Fleming and his able staff. These gentlemen have already rendered great service to Canada by their careful, reliable surveys, and as they know the country already explored and mapped out, less time and means will be required in restoring the reports than would otherwise have been requisite."

MANUFACTURE OF COCOA.—"We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of dietetic articles, at their works in the Easton Road, London."—See article in *Cassell's Household Guide*.
