London West Trustees Have Some Lively Discussion.

School Boy Who Thinks He is Whipped Too Hard—Should the Teachers be Paid Promptly?

The first regular meeting of the School Board was held at the school house Friday night, the following members being in attendance: Chairman Ed. Pudney, Trustees Alex. Currie, R. A. Jones, J. B. Leigh, J. D. Smith, Secretary W. L. Brown and Head Master Liddicoat. J. I. Anderson's account of \$8.25 for supplies was passed. A communication was received from Inspector Deane respecting the overwork of the class rooms. After some discussion the inspector was requested to notify the trustees that owing to the fact that the school has been the junior class rooms have been relieved and the Board has been asked to consider the matter.

The communication was received from Mr. J. B. Leigh, stating that the head master had been unnecessarily severe in his treatment of the complainant's son. Head Master Liddicoat explained how little fault there was for the charge, as a splintered pointer which touched the boy's hand had broken when he touched the board, and after a short discussion on the subject, accepted Mr. Liddicoat's explanation as satisfactory.

The head master's report for January was submitted as follows and adopted:
