Sudden Dissolution of Japan's Cabinet Due to the War Spirit.

Another Hostile Act on the Part of the Turks-Prince George Proposed

for Governor of Crete.

London, Dec. 29.-A special from Shanghai, dated yesterday, says: It is reported that a Japanese fleet of over twenty warships is waiting near Goto Island, outside Nagasaki, fully equipped for war, and only awaiting instructions. This includes the Yashima and the Fuji, two of the finest vessels Yuen, which was captured from China. The Japanese fleet, it is understood, is first believed, and out of all proporacting in close touch with the British squadron, under Vice-Admiral Sir Alexander Buller, commander-in-chief

of the China station. Japan will certainly oppose a permanent Russian occupation of Port Arthur. The sudden dissolution of the Japanese Diet was owing to the war spirit. It is expected that the Japanese and mapped out. London, Dec. 29.-A dispatch to the Times from Kobe, Japan, says the dissolution of the Diet has greatly angered the political parties. It is probable that the Marquis Ito, former premier, and Count Okuma, a former foreign minister, will form a coalition ministry, with a vigorous foreign policy. Marquis Ito has been in private life much of the time since his notable achievement during the China-Japan war. He is strong with all parties, and has the people behind him so that he may again assume the premiership if the emergencies demand it. The Times says: "The advent of a cabinet led by two such statesmen as Marquis Ito and Count Okuma may be regarded as an event of great significance by the other powers.'
