LONDON SUFFRAGE SOCIETY TO BREAK FROM NATIONAL BODY

The Alleged Unconstitutional Methods of Toronto Association Causes Local Branch to Decide on Entering New National Association.

At a special meeting of the London Suffrage Society, held in the Normal School on Saturday afternoon, a resolution was carried in reference to the present split in the Canadian Suffrage Association, whose headquarters are in Toronto. The London society has been affiliated with the national association for some months, but in view of the alleged unconstitutional method that the body was resolved, that the delegates to the meeting to be held in Toronto on Tuesday next be empowered to break away and, if it was deemed advisable, help in forming a new national association in Canada.

Another interesting feature of the meeting was a resolution of sympathy with the women teachers of the city in regard to the present situation in connection with salaries. The London Suffrage Society placed itself upon record as being desirous of seeing fair play for the women teachers, and will doubtless communicate with the board of education regarding the matter.

\$100 FINE AGAINST HEAD OF LOCAL MOOSE LODGE

Magistrate Finds Him Guilty of Having Liquor on Unlicensed Premises.

W. R. Shaw, dictator of the Local Order of Moose, was found guilty by Magistrate J. C. Judd today of a breach of the liquor license act in allowing liquor on the premises of an unlicensed or unincorporated club and fined \$100 and costs.

In finding Mr. Shaw guilty, Magistrate Judd stated that it was impossible, in the face of the evidence, to rule otherwise. "On the day of the raid five cases of empties were taken away from the premises," said the magistrate in summing up. "When Sergt. Birrell and Barnhill, with Inspector Galpin, visited the place at night they found 45 filled pins of ale in the clubhouse, which, on the evidence of Mr. Wilson, who stated that they were for the members, who did not wish tea or coffee, was evidence enough alone to convict. The London lodge, or club, is neither incorporated nor licensed, and I find the defendants guilty. The guilt falls on the head of the society, who happens to be Mr. Shaw, and I have no alternative but to fine him \$100 and costs."

E. W. Scatterd, who represented the defendants, stated that there would be no appeal in the case, and that so far as his clients were interested, the case would end with the ruling of Magistrate Judd.

An order was made out by Crown Attorney James I. McKillop, for the confiscation of the liquor seized in the raid. James Wilson, steward of the club, who was also summoned, was dismissed.

CARS WENT DOWN BANK BUT NO ONE WAS KILLED

Toronto, March 22.—The C. N. R. train from Trenton was wrecked between Breenburg and Cherrywood, 8:50 last night and almost as if by a miracle no person was killed. Two first-class coaches, a dining car and the baggage car went into the ditch when the train was going at a speed estimated at 40 miles an hour. The tracks were torn up for nearly half a mile. One car rolled down a fifteen-foot embankment and landed on its side, while another car caught fire. Only the engine and tender remained on the track.

The passengers most severely injured are G. H. Linton, former proprietor of the Daily House, Toronto, severe injuries to leg and head, and Mrs. Ford, Saskatoon, severely hurt in the back. The conductor, express messenger and a number of passengers received cuts and bruises.

A relief train was out from Toronto and the injured ones brought to this city on it. A spread rail is said to have caused the accident.

SCHUMANN-HEINK TOMORROW.
The announcement that Mme. Schumann-Heink is to give a recital at the Grand tomorrow evening has aroused much discussion as to her extraordinary drawing powers. It is a certain fact that no artist draws the great audiences throughout the country that flock to hear the wonderful contralto. "Sometimes the song an artist likes best to sing is not the song the public cares most to hear. This is unfortunate, because an audience has much to do with how well or how badly an artist sings. The ideal condition is realized when the current of sympathy between listeners and singers is established through a song that the ones loves to hear as the other loves to sing it." Thus it will be seen that Schumann-Heink arranges her program with a view of pleasing her audience as much as herself, and this, coupled with the fact that she has a most wonderfully pleasing and gracious personality, is responsible to a great degree for her wonderful success.

CHINESE OUTLAWS KILL SOME HUNDREDS

[Canadian Press.]
Peking, March 22.—Outrages by brigands in Central China are assuming alarming proportions. Several bands associated with the noted outlaw, White Wolf, are ravaging various sections of the country, ruthlessly murdering and robbing the people and burning their property.

The latest exploit of the bandits was the massacre of three hundred townsfolk who were resisting their entrance into an important market town close to Sian-gang, Province of Hupei. Seventy of the town was burned and the population ruined financially.

[Canadian Press.]

New York, March 22.—Convicted of the murder of Herman Rosenthal and sentenced to die in the electric chair in the week beginning April 13, the four gunmen in the Sing Sing Prison death-house, issued a statement "to the public" today. Alleging that they were left to die unjustly, while former Lieut. Charles Becker obtained a new trial, they had their appeal for "justice" and "fair play," which they had already prepared when he visited them yesterday. They reiterate their innocence and charge Harry Vallon and "Bridgey" Webber with the Rosenthal murder. The men are "Lefty Louie" Rosenberg, "Dago Frank" Ciroli, "Whitely" Louis and "Gyp" the Blood.

PRESIDENT ANXIOUS FOR VOTE ON REPEAL

Has No Doubt of Bill Passing, But Wants Promptness—Some Filibustering.

[Canadian Press.]

Washington, D. C., March 23.—While President Wilson has no doubts about the passage of the administration bill to repeal the Panama tolls exemption, he is anxious that it be brought to a vote promptly. He has been advised that a vote probably would be taken as soon as the rivers and harbors bill has been disposed of.

The President said today it looked to him as if there had been a filibuster on the rivers and harbors bill to delay the vote on the tolls question, but smilingly remarked that filibusters were filibusters. He denied a charge made on the floor of the Senate that he had attempted to limit the toll debate in the House. He said that, while he had no part in suggesting a rule to limit debate, he hoped there would be one.

BARTENDER IN TROUBLE

Alleged To Have Sold Liquor to Minors—Judgment Reserved.

Jerry Collins, bartender of the Bank Hotel, appeared before Magistrate J. C. Judd today, charged with selling liquor to minors. After hearing the evidence, Magistrate J. C. Judd reserved judgment until Friday.

Collins denied the charge and was backed by two witnesses who swore they had seen him refuse the minors. Two youths swore they had purchased drinks from Collins.

Richard Ross, a lister, told a long story about being long "shot" of barley-corn for his health. On being found guilty, he was given the alternative of paying a \$10 fine or spending the next 21 days in the county jail. He took the days.

SUES FOR DAMAGES

Caradoc Farmer Enters Action Against C. P. R. for Western Wreck.

George Edward Sawyer, a Caradoc resident, who was injured in a wreck on the C. P. R. near Saskatoon, on June 14 last, has filed a writ in the local courts against the Canadian Pacific Railway for unstated damages. He claims that he was a passenger on a train which left the rails while negotiating a curve at a high rate of speed, about 14 miles west of Saskatoon. In the resulting wreck, caused, he claims, by the negligence of the plain-tiffs, he received severe injuries to his chest and has been a nervous wreck ever since. J. F. Faulds is acting for him.

FALL WHEAT GOOD

Farmers Report It as Being in Good Condition.

Fall wheat is in fine condition, the farmers report. It is much too early to give an idea as to the probable success of this year's crop, as the critical time in its growth is yet to come, when the late frosts and thaws come. The recent snowfall was helpful, although the thin layer of ice which covered the ground in most places, caused some anxiety to farmers. This seems to have caused no damage, however, and unless there are some severe frosts and thaws, there will be an excellent fall wheat crop.

VANCOUVER TO SEND 500 TO HELP ULSTER

CANAL ARGUMENT DELAYED.

Washington, March 22.—The option of the legislative battle for repeal of the tolls exemption provision of the Panama Canal act was delayed until this week by prolonged consideration in the House yesterday of the rivers and harbors appropriation bill. Renewed skirmishing in the Senate served to reveal, however, the intensity of feeling in the controversy.
