553 RICHMOND ST.

HEREBY PUBLICLY BRAND AS A slanderous libel and malicious untruth, the rumor that has gained credence among the citizens of London, said rumor being detrimental to the character of my good wife. It has been stated that I threatened separation, because I overheard my wife making a date over the telephone. The fact of the matter is that I threatened my wife with desertion, if she did not make a date with the white wagon man to call and take the wash to the Forest City Laundry. She has done so, and all is peace and happiness in our home. (Signed) Mr. X. Ample. 4 Thought street.
