Win Over Paddlers Here Would Rate Locals High

Saturday Night Struggle Finds
Locals Up Against Hardest
Test Dope Holds Out

METTLE IS PROVEN
Win in Grimby Stamps Home-
sters As Good On Foreign
Sheets As On Own.

The experiment of changing the national boat night to hockey night in London will be watched with interest Saturday night, however, will not be grabbed off by London schedule hounds if the venture is an outrageous success, as it should be, with Parkdale as opposition.

Parkdale canoe club will close the exhibition series for the locals who open their "Big Six" season next Wednesday at Stratford. They expect to be the most colorful crew the locals have met to date and the strongest. Harry Watson, a hockey player in perhaps one of the two outstanding amateurs left over from the pro days, with Collett, Watson was a member of the Granites, conceded by many experts, the greatest collection of amateur players ever gathered together in Canada.

There is local interest in the appearance here of McAllister, in intermediate grade, the Sarnia was considered the most phenomenal net guardian ever seen in action on local ice sheets. That he has proved a sensation in higher company hasn't shaken the conviction of the local fans that McAllister is among the best of goalies ever developed in hockey. Cole, who will play center for the Paddlers, is the same sent who performed for Stratford last year and who so far has not been granted a chance to play O.H.

If the locals get away with the Paddlers by the slightest of margins, their rating will be enhanced. The win in Grimby has demonstrated that, despite some leanings to youthfulness, the locals are no slouches in performance. Paddlers were beaten by Preston last night, but the team that is coming here Saturday will be different opposition.

The line-up and numbers of the Parkdale canoe club team is as follows:
(1) Collett, goal.
(2) McAllister, goal.
(3) Lout, defense.
(4) Hughes, defense.
(5) Cain, defense.
(6) Cole (King), center.
(7) Jeffrey, forward.
(8) Morris, forward.
(9) Clayton, forward.
(10) Watson, forward.
(11) Gossett, subs.
(12) Staines, subs.

Ottawa, Dec. 10.—Scoring their third consecutive shut-out in the N. H. L. Ottawa Senators sent New York down to a 3 to 0 defeat in a scheduled league fixture here this evening. The Senators won by three goals, but it is only fair to say that Vernon Forbes alone stood between them and a much larger margin.

Completely outplaying the New Yorkers at every stage of the last two periods, the Senators made the Gotham team look very ordinary. Billy Burch was the outstanding star of the visitors, and turned in a grand game. Frank Nighbor and Hockey Smith again led the Senators with superb displays, the work of Nighbor especially brilliant.

The line-ups:
Ottawa—Goal, Forbes; defense, Randall, Langlois; center, Burch; wings, R. Green, W. Green; subs, Simpson, Bouchard, Campbell, Cameron, Morrison, McKinnon.
New York—Goal, Connell; defense, Boucher, Clancy; center, Nighbor; wings, Denney, R. Smith; subs, M. McLean, K. A. Smith, Gorman.
Referee—Cooper Smeaton.

Summary:
First period—1, Ottawa, Nighbor.
Second period—No score.
Third period—No score.

Special to The Advertiser.
Windsor, Dec. 10.—The Windsor Maroons, this year crowned with the Toronto team will provide opposition for Kitchener Maroons at the new Windsor arena tomorrow night in the last exhibition game prior to the opening of the championship schedule.

Kitchener come with several of the stars that have spurred the green for many years. Hiller, Kargos and Hemphill are three of the veterans who have made the team a fine solo effort, but it is around this trio that the club has molded its team for the 1925-26 campaign.

Grange, Badly Injured In Smoky City, Is Fed Up With Life Anyway

Sorrel-Top in Washington and Boston Interviews Says He's
Tired of Chasing Money He Never Sees.

Associated Press Despatch.
Pittsburg, Dec. 10.—Red Grange was injured painfully during the first period of the Chicago Bears-Pittsburg all-stars football game here today. Dr. Gustav Berg, physician of the Pittsburg club, said the former Illinois star had sustained a torn ligament and a broken blood vessel in his right arm.

Special to The Advertiser.
Boston, Dec. 10.—"Red" Grange is tired of football fortune-hunting. The halved half-back made this plain following his Boston debut here, during which he tasted his first professional football flop. Chicago's Bears, with whom, it is reported, he has climbed the financial ladder to a position of semi-millionaire, have been bowled over and flattened by the Pittsburg Steam-rollers, 9 to 0, and Grange clearly showed his disappointment.

"A lousy affair," was the way in which the wearer of the magical "77" described the game, the penalty of fame is "thumbs down" when a star doesn't deliver and that the public is sick of a great public hero, a worn and half out of this racket," he added. Somebody suggested he probably wouldn't mind this, as he already had made a fortune out of the capitalization of his pluck in the pros. "A fortune?" Red ejaculated. "Say, I haven't seen a dollar of real money yet."

Indians Hand Allan Cup Champs 2nd Eastern Loss

Classic City Crew Has Most
Punch Left For Third Period
and Get Off Goal.

ELLIOTT IS STAR
Special to The Advertiser.
Stratford, Dec. 10.—Upwards of 1,800 Stratford fans were treated to some real hockey tonight when the Indians, Stratford's senior O. H. A. representatives, defeated the crack Port Arthur team, holders of the Allan cup, 4 to 3.

It was any man's game almost to the last, though the locals had the edge for the final twenty minutes. In the first period the world champions had it all over the locals and indeed threw a little scare into the audience. Their forwards rushed well and passed frequently, while the defense appeared almost unbeatable. In fact they looked to be in mid-season form, and during the period scored two goals. They started out almost as fast in the second, but the Indians showed better form and the score was 2 to 1. The forwards were even in this period, one goal being scored by Elliott, who was superior in almost every department, the visitors appearing to tire.

The best all-around player for Stratford tonight was Elliott. He was in the play every minute he was on the ice and did some real stick-handling and rushing. Unfortunately in his rushes he did not heed the danger to his own team and many a lone effort went to waste. One Carlson showed some brilliant stick work, but he was only an all-around player. Ketterbourn also showed some real class and skill, but he was not in the game particularly in the first two periods.

In the second period the Indians were the pick, but the team as a whole overshadowed the locals in team work. Chabot, their big goalie, made some wonderful saves, particularly in the last twenty minutes.

First Period.
The game started about 8:15, and the visitors immediately went on the offensive. In less than half a minute Gray had bulged the net for the Port Arthur team on a neat shot from the wing.

Second Period.
After the face-off the puck went again to Stratford's territory, and Carlson gave a merry time. On a shot from center Eric Wilson scored three and a half minutes of play.

Third Period.
The third period started with Stratford coming out in earnest and they led practically throughout the period. The forwards combined splendidly and the defense cut down the rushes of the Port Arthur team.

Burke got the first one of the period.

RIVERSIDES TRIM PARKDALE 6 TO 2

Paddlers, Minus Stars, Go
Down Before Preston in
S. P. A.

Canadian Press Despatch.
Toronto, Dec. 10.—Preston defeated Parkdale, 6 to 2, in the senior S. P. A. game here tonight, and qualified to meet Peterboro in the semi-finals on Monday. The Paddlers held their own with the Big Six group team for 45 minutes, but weakened under pressure, and the winners ran in three goals in the last ten minutes of the second period to clinch the game. Parkdale outplayed Preston in the final period, but remarkable goalkeeping by Schmitz prevented the Paddlers scoring.

Parkdale went into the game with a much weaker team than the one that annihilated Niagara Falls. Ken Kane did not show up, while Hughes was injured and was forced to retire for good at the end of the second period. When the game started, the Paddlers were defense players for subs, but Ross Paul and Fred Miller of the juniors were the greater part of the last two periods.

Did Ashley and Gunner Arnot were Preston's outstanding players, while Herby Morris, Jeffrey Miller and Lout were best for Parkdale. The game was an interesting exhibition of hockey, but again the crowd was small.

The line-ups:
Preston—Goal, Schmitz; defense, Ashley, Talbot; center, Arnot; wings, "Bark" and Ware; subs, Kelly, Kreson, Groh, Jukka.
Parkdale—Goal, Collett; defense, Hughes, Lout, center, Cole; wings, Morris, Jeffrey; subs, Gossett, Fred Staines, Miller, Paul, Referred, Wilson.

Summary:
First period—1, Preston, Arnot.
Second period—Preston, 6, Parkdale, 2.
Third period—Preston, 6, Parkdale, 2.

REEL FOOT LAKE NOW HAVEN FOR THE HUNTED

Tennessee Refuge Is Protected
by Law—Was Formed by
Earthquake.

Associated Press Despatch.
Nashville, Tenn., Dec. 10.—Reelfoot lake, winter quarters for millions of the wild duck family, this year offers protected refuge for the hunted visitors from the north and the far northwest.

A structure in the grassy bend of the cutaneously-shaped lake, in the deep wild grasses is wired off from the reach of the hunter's gun. A heavy fine is provided for any person who enters the wire enclosure or drags a boat across the grasses within, which will be permitted to grow up in the wildest confusion, untouched by human hand.

Reelfoot lake was formed by the great earthquake of 1811-12. It is ragged and jagged. Some parts of the marshy sections are impenetrable, and it is very dangerous for hunters to attempt a trip on its vast expanse without the guidance of a "pusher."

Reelfoot's northern tip extends just over the Kentucky state line. The lake proper contains 14,160 acres and with its marshes included, 25,550 acres.

Thousands of sportsmen from the United States and many from foreign countries have visited the lake every year. A conservative estimate of the number killed on the last day of the open season was 10,000.

The state is considering the establishment of a biological station there for scientific study and investigation.

HORSE SHOWS INTENSE JOCKEY PREFERENCES

Statesman Lost Three Races
For Clout and Won Three
For Winder.

Associated Press Despatch.
Paris, Dec. 10.—The Statesman, a thoroughbred horse, belonging to A. K. Macomber, American oil magnate, has an eye for a jockey and expresses himself in such a way as to gain his preference.

Six times this season the colt went to the post. Three times he crossed the winner. Three times he finished last. The Statesman earned his brackets with Jockey Winder up his loving races were ridden by Jockey Clout. Stable hands make no secret of the horse's dislike for Clout and love for Winder.

On the three occasions Jockey Clout rode the colt, Statesman did all he could to throw the lad and then refused to start or pulled throughout the race. In training he will not work if Clout is about.

But the little Winder come along and immediately the colt becomes good-natured, buries his nose into the lad's arm and runs like a streak of lightning when he takes the track.

Clout is rated as a very good jockey, with more experience than Winder, but this matters not with The Statesman, who, like a human, has his likes and dislikes.

After eight minutes of play on his own rebound, Bill Carson repeated two minutes later on a lovely shot, and tied the score.

The line-ups:
Port Arthur—Goal, Chabot; right defense, Wilson; left defense, Brody; center, Gray; right wing, Pudas; left wing, L'Heureux; subs, Torsteinson, Chapman, Cox.
Stratford—Goal, Dolsen; left defense, Burke; right defense, Brody; center, Bill Carson; right wing, Frank Carson; left wing, Griffin; subs, Louch, Ketterbourn, McCully.

FAST MICHIGAN FIVE PLAYS ACES TONIGHT

Pittsburg Lauds
Dye's Scoring Bee

Smoky City Scribes Like Work
of Toronto Veteran.

Associated Press Despatch.
Pittsburg, Dec. 10.—Despite the brilliant efforts of Captain "Babe" Dye of the invaders, the Pittsburg Pirates, by a last-minute rally that netted them three goals, defeated Toronto St. Patricks in a National hockey league game here tonight. Dye had sent his team into a 2 to 1 advantage as the first period ended, but the dazzling combination and defensive work of Conacher, Smith and Drury outgeneralized the invading forces, and the locals were in front of a 2 to 2 score at the end of the second.

Milks, White and Drury scored the Pirates to victory in the final stanza with a goal apiece, and in a last minute effort, Dye sent a sizzler past Vorters for the Pats third goal.

Nick and White, who were the league's scorers with a total of seven goals.

**HAS NO ARMS, BUT ENJOYS
FISHING, HUNTING, RIDING**

Associated Press Despatch.
Pittsburg, Dec. 10.—Life goes on pretty much the same for George Shires, a sign-painter of this city since he lost both hands and his left arm in an explosion in 1907. Not only does he still continue to paint signs, but he also shaves himself, writes, rides a bicycle and hunts and fishes. He is an enthusiastic sportsman.

"I haven't missed a hunting or fishing season since I lost my hands," he said. "I'm getting the trigger of my gun, and when I want to shoot I pull it with my teeth. Fishing is still easier. I work my reel by sticking the rod in a handkerchief tied about my arm."

Shires paints and writes with his brush or pen held between his teeth. Among his other accomplishments since the loss of his hands, he has learned to drive an automobile, for which he had to pass an examination.

95th Aero Squadron Five Will
Take On Local Inter-
mediate Cagers.

BIG CROWD SEEN

Tonight London cage fans will get their first chance of the season to witness a high-class basketball bill, when the "Y" Aces meet the 95th Aero Squadron five of St. Thomas Saturday night, and that they would like to get in a game before tackling the Flower City five. Taking into consideration the fact that there is no other attraction billed for tonight, Mr. Beeg wired back that the game is on, and as a result the program is ready for the fans.

A preliminary game is to be between the Y. Juniors and the St. Marys Juniors. Both are fast junior squads and the game should prove a real introduction to the main go.

The soldiers are in the midst of preparing for the coming Class A season in United States basketball circles and they are coming over to strut their stuff in advance. Last year they made a big clean-up, winning twenty-five games and losing two. That looks like a real record and the locals will have to stop to get them back.

The locals are no weak sisters at any rate. The amalgamation of the Orioles and the Aces has greatly strengthened the team, and if they show the same form under fire as they do in workouts, they should give the U. S. squad a fine battle.

At any rate for the first bit of boys' basketball this season the Aces have pulled a real one in getting the fast armyites over for a struggle. As said fans look over the program they are before, the notice is short, but the going to crowd the "Y" to capacity.

The locals will line-up as follows: Forwards, Gillies and Smith; center, Shaw; guards, Quick and Lightfoot; subs, Harbour, Young, Wanless and Casselman.
