CLERICAL SCANDAL.

London, April 23.-Inquiries made at Scotland Yard regarding the decease of Miss Emily Hall, who is said to have been betrayed by an English clergyman 'named Ball and sent to Detroit, Mich., where she died in a lying in hospital, have elicited the statement by the authorities that they have no information regarding the case. Rev. Jonathan Bell, a Primitive Methodist clergyman, lives at Primrose Vale, Blackheath, Rowley, in Staffordshire. This address resembles the one given by Miss Hall's betrayer in his letters, which were dated "Primrose Vale Station road, Blackheath. via Dudley." Bell, who has been in the ministry twenty years, went to Blackheath, near irmingham, from Dudley three years ago.

was unable to make any statement with reHe soon acquired a good reputation for attention to his duties. He is regarded in his circuits as a good pastor with an especially strong hold upon the young, but as a rather indifferent preacher. Bell was in the China-Japan war, the minister declared Michigan at the time when, according to the that European trade would be unable to Detroit police, Emily Hall's betrayer arrangwithstand the competition of Japan. Japan His voice failed last summer owing to an affecdoes not project any conquests. Her one tion of the throat, and he applied to the trustees Regarding the fears of Spain that Japan will encroach upon the Philippine islands, the minister said they were groundless. Japan is perfectly satisfied with the possession of Formosa.

If or America. He told the trustees and friends he was going to St. Clair, Michigan, to pass a few weeks with his brother-in-law. He remained in America until about the middle of February when he returned, appropriately app parently much improved in health. He has lectured frequently since on his visit to America and has had good audiences. ing against the terms of peace.

Le Temps says regarding the China-Japanese terms of peace: "The treaty will out part in local affairs. After his return from America he decided to accept a circuit in Yorkshire and proposes to leave Black-heath in July. He preached in Langley this evening. No rumor has reached his flock that the Detroit police are inquiring after an clear the mystery of Emily Hall's betrayal

The Oxford Professor Replies to the Governor General's Caustic Criticisms.

Neutrality Becomes the Office of the Queen's Representative-A "Tu quoque" Argument.

TORONTO, April 23 - Prof Goldwin Smith has a letter in the Globe denying the correctness of some statements in a preface by the Governor-General, Lord Aberdeen, to Mercier in the election campaign of 1891: " As much can hardly be said of the as-

sistance which Mr. Goldwin Smith tried to posal to interfere as a grave error, and asks what right anybody has to rob Japan of the of February 8, stating that the Tories seek fruits of her victory.

The Volks Zeitung says under the caption

"A Leap in the Dark," "Russia would resp the main advantage from any joint action. It has not been proved that the new treaty injures Germany's interests in against any Conservative attempt to obtain a fair and reasonable reciprocity treaty. A late dispatch to the Central News from Shanghai says Pekin advices are that some And his subsequent letter to a Toronto the British government any modification of paper denouncing the National Policy only the ultimatum to Nicaragua. The matter peace have been agreed upon. Of the modifications in the China-Japanese treaty of peace have been agreed upon. Of the five new commercial ports to be opened it has been decided to substitute Nankin for Peking and Woo Chow on the West Canton river for Huchow. Wei-Hat-Wei is to be garrisoned by the Japanese at the expense of China for a term of years. Nankin although included in the existing treatment of protection and follower of Sir J. A. Mac.

In his reply to this Prof. Smith says : " I the Berlin congress as warnings tection, nor had I ever been a follower Sir John A. Macdonald. I gave an indepena moderate free trader, recognized the need. I had a personal interview with him a few days before the election and learned from his own lips that he foresaw the evil consequences of an application of protection to a country like Canada as clearly as I did my-

"In the campaign of 1891 I abstained from taking any active part, and cannot by my aid have inflicted any injury upon the opposition. The fiscal platform of the oppo-sition was unrestricted reciprocity; mine was commercial union. It is consonant to the taste, I suppose, of the Governor General to say that I was the object of "intense dislike" to Sir John Thompson. No doubt I was, not only as a continental unionist, but as an opponent of the Jesuits' bill. Sir John admitted in the House of Commons that he had rewarded with an appointment in the department of justice a printer who had stolen for a political purpose documents from the office in which he was employed, including one which was used against my honor as a citizen, and which I proved to have been completely falsified as well as stolen. I can hardly think that this or the use of betrayed letters in the same occu-pation would meet with the approbation of

an English nobleman.

"As Lord Lieutenant of Ireland, Lord Aberdeen provoked criticism by his ostentatious patronage of Home Rule. He now with an expression of party feeling. Neutrality becomes his office."

A QUESTION OF PROPERTY RIGHTS.
