Chauncey M. Depew Eloquently Proclaims the Era of Peaceful International Settlements.

Secure in Isolation and Supreme in Resources the U.S. May Well Intervene.

ALBANY, Jan. 21.—In an address before the New York State Bar Association this evening, Hon. Chauncy Depew, speaking on "Patriotism and Jingoism -the Lawyer's Duty," said in part:

"While a healthful advance in civilization and the undoubted public sentiment supporting it mark the new reladisputes, and the barbarous, murderous ain.

"The United States is the only nation" "The United and medieval periods still prevail. Only so situated that it can with honor and one power keeps the nations of Europe from instantly declaring war. The bankers and business men have become the arbiters between the nations. In modern conflicts, so vast and expensive are the preparations for and the operations of war that the largest purse wins. Only two nations which may be said to ments with our republic. It is anxious be free from this thraldom, because of their wealth, their commerce and credit, viz., the United States and Great desire to extend the invitation. Britain. If armor is made which will So there is no danger from Canada. To resist a new shell, there follows the gun the south of us is Mexico with only that will fire the shot to pierce it. If twelve millions of people, of whom ten destroy its score of human bebrothers, sons and husbands in the same time. The events of the past lew weeks have demonstrated how easy it is to arouse the fighting blood among our own people. A generation has come own people. A generation has come the Isthmus of Darien and of South Among the Isthmus of Darien

among us to-day is the action of congress upon the President's Venezuelan mes-By the constitution of the United States the war power belongs to congress and yet the senate and house with unanimity and hot haste, rushed to re20,000,000, two-thirds being Indian resources. From Australia, from Can-States the war power belongs to congress cord their approval of what they believed at the time to be a declaration of war, and their chaplain appealed to the Prince of peace with this marvellous invocation: 'Oh Lord, may we be quick scaport of the United States. Our countries of the United States of the United States. Our countries of the United States of the United States of the United States. Our countries of the United States of the United States of the United States. Our countries of the United States of the United States of the United States. Our countries of the United States of the United State to resent anything like an insult to our nation, so may Thy kingdom come and Thy will be on earth as it is done in Heaven. Amen.' One does not know in presence of such a travesty upon the on on the Mount whether to say: Good Lord!' Our hasty and passionate President could plunge the nation into war, and the reason and justification for its sacrifices of blood and treasure industrial interests would be for academic discussion after the strife was over. The argument has recently been advanced by Bismarck, by the London Times, and only the other day by a distinguished judge, that without war the moral tone of a people deteriorates, and thus they lose a fine sense patriotism and a keen appreciation and

The speaker instanced the magnificent army is the great work upon the lines of the oner of war. lawyers of past centuries in promoting international arbitration. The moting international arbitration. present dispute between the English world calls for both practical wisdom and legal acumen for its solution. There is no dissension in this country regarding the Monroe doctrine as promulgated by President Monroe, and interpreted by Jefferson, Madison, Webster and Calhoun, Alexander Hamilton, the greatest lawyer of the revolutionary period, and one of the most creative upon the Americans will be permitted our safety, or subject our sister repub-

lics to European despotisms. "Yet anyone who studies the Monroe doctrine will see how in each individual ment." case, except where there is a flagrant violation, like the French invasion of Mexico, the applicable interpretation of it should be the subject of a judicial determination. The President's message dispute as to a boundary line between a South American republic and if they refuse, we must find out as pels us to assume a protectorate over all these republics. Their enterprises and industries are almost entirely owned or

We might at the whim of the necessities better proofs of ownership than those A new road will state the whim of the necessities better proofs of ownership than those A new road will state the white the necessities better proofs of ownership than those and the new road will state the necessities better proofs of ownership than those are necessities. Venezuela or the Argentine, of Brazil or the republic. or Honduras, of Chili or Bolivia, be involved in frequent wars with the powers of Europe. This would require an immense navy and a large standing army.

"The feeling in the United States

against Great Britain is more easily aroused than against other countries for many reasons. In the first place, we are blood relations and family quarrels are always hasty and fierce. Our battles of the revolution and of the war of 1812 have been with England. The attitude of her government during the civil war was specially irritating and disputes about boundary lines and fisheries have frequently arisen.
"But while this feeling has not abated

with us, there has come into power in Great Britain, and we have scarcely noticed it, indeed, it has only been brought strongly and convincingly to our attention by the recent terrific out-break against Germany, a force unknown and unheard of at the time of George III, or the war of 1812, or even our civil war. It is the all-powerful democracy day the real power in the British Isles. been little if any progress in the peace-ful, lawful settlement of international ful, lawful settlement of international full for the United States, and the demogratic spirit—the peopending the judicial inquiry which was full for the United States, and the demogratic spirit—the peopending the judicial inquiry which was full for the United States, and the demogratic spirit—the peopending the judicial inquiry which was full for the United States, and the demogratic spirit—the peopending the judicial inquiry which was full for the United States, and the demogratic spirit—the peopending the judicial inquiry which was full for the United States, and the demogratic spirit—the peopending the judicial inquiry which was full for the United States, and the demogratic spirit—the peopending the judicial inquiry which was full for the United States, and the demogratic spirit—the peopending the judicial inquiry which was full for the United States, and the demogratic spirit—the peopending the judicial inquiry which was full for the United States, and the demogratic spirit—the peopending the judicial inquiry which was full for the United States, and the demogratic spirit—the peopending the judicial inquiry which was full for the United States, and the demogratic spirit—the peopending the judicial inquiry which was full for the United States, and the demogratic spirit—the peopending the judicial inquiry which was full for the United States, and the demogratic spirit—the peopending the judicial inquiry which was full for the United States, and the demogratic spirit—the peopending the judicial inquiry which was full for the peopending t

safety move upon the pathway of peace for an international court of arbitration. North of us lies Canada, with its vast territories, larger in area than the United States, but with a sparse population of some 5,000,000 people. It seeks no war, it wants no hostilities and no disagree-
