time for him to pack up and go, bag and The promptness with which the report baggage. Between the major-general and has been made is worthy of imitation in the volunteers and the governor-general and | Canada, Here the census was taken about the volunteers and the governor-general and the press matters are made lively and interesting for the dog-days' season.

Canada. Here the census was taken about the same time, and though our entire population the same time, and the same time, an of England and Wales, we are in complete | Buffalo: Buffalos 8, Chicagos 7. PERSONALITIES are not confined to the ignorance of the result. Our officials seem

REST FOR THE BOYS AND GIRLS. School is out, but what has become of all in company with his wife, spent two weeks the boys and girls? There were thousands | in canoeing on Lake Waramang in a canvas of them in the city three weeks ago, "crawlcommissioner of works in London, made the ing like the snail unwillingly to selfool, for Quebec, whence he sails via Hudson face of Falsehood in the monument repre- or making us all young again with their glad Bay steamer for Labrador, where he will ing like the snail unwillingly to school," sent Mr. Ayrton! This kind of revenge laughter when school was done for the day meet a companion, in whose company will enter upon an extended cruise.

. What has become of them? One don't see any more juvenile faces on the streets | ROUSE CHALLENGES SULLIVAN AND RYAN The Chinese emigration to New South now than three weeks ago.

Wales does not disturb the mind of the at home rocking the baby, or pulling weeds Boston and Paddy Ryan of New York to fight for from \$2000 to \$5000 a side and the changing him of America, intention to change the emigration clauses a holidaying? Rocking the baby or pulling heavy weight championship of America of the treaty with China, and so far as weeds in the garden is proper work, and the fight to take place at Wyoming, Dak. relates to Australia Sir Charles Dilke says somebody gust do it, but it is not the kind or Utah, in six months. it is rather for the colonists than for the of recreation a boy or girl delights in when home government to form an opinion. Mr. the holidays come. There is no more Gladstone and his colleagues do not believe amusement in it than dashing the churn of Canada's Goodwill to the United States Some in a policy of interference in affairs which watching a gap in the harvest field-and if taking the ground that in all such matters the country boy hates it is dashing the churn or stopping a gap.

THE MAIL'S editorial comments on Mr. recuperation. He needs it, for with the blake's meetings in the lower provinces are villanous programme of the school-room he before in Canadian journalism, unless the cast in the same modeld as its special despatches. It is all ridicule and belittlement. is kept like a young blind Samson grinding at the mill. And the schoolgirl has just below the school of the sc Neither at St. John nor at Gagetown, according to the Mail's accounts, hes there been any large gathering or any manifestation of sympathy with the speaker. The despatches of the Globe's correspondent, who evidently studies moderation, convey a very different impression. He is a wella very different impression. He is a well-lake—anything to make his blood bound known journalist, and fairly deserves to and arrest the drying-up process of the thereby in tone, and show that though nominally lising under a limited monarchy the

duty in sending Parish and Rankin to the assizes for trial. The evidence was quite is almost the only time of the year when ing of Orangemen at Toronto on the 12th assizes for trial. The evidence was quite is almost the only the order of the gave prominence to a resolution of condostrong enough to justify him in doing so, and the country would not have been acquaintance.

Who is the Somebody?

the trial cannot fall to convey a whole some lesson. But what lesson has the grate of wealth produced by labor. The aggregate of wealth produced every year is more but the spirit of broad, and vivined humanity gate of wealth produced every year is more but the same active sympathy has manifestive. government learnt from the disaster than enough to support the entire population of the globe. This aggregate constantion of the overcrowding of vessels and the vent the overcrowding of vessels and the recurrence of such dire accidents as will for many years make the queen's birthday a sad, memorable day in London?

The correspondent of the Globe at the balance gies to somebody who does not labor.

By labor, it must be understood, is not meant merely the labor of the day laborar. No class of labor gets a fair share of what
