duck-shooting at St. Clair flats. Mallards, feal and woodducks have bred in that locality and along lake Erie in unusual sumbers. Many of the best points for duck-shooting are owned or controlled by club-, therefore very little illegal wildfowl shooting has been done in this vicinity, shooting has been done in this vicinity. The fall infortion has not yet begun, and our sportamen are preparing for a grand rally when the canvas-backs, red-heads and other varieties put in an appearance.

The betting was very heavy. St. Julieu very heavy in spots. Bithers drove Jay-Eye-S. and Hickok St. Julien. Both Legential of the state of the s

THE SPORTING WORLD soon after Jay Eye See began to close the soon after Jay Eye See began to close the gap, and troited so rapidly that he reached St. Julian's withers. Abreast the half mile post St. Julian seemed to be in trouble but well down to his work. Three furlongs from home the pair were on level terms, Jay Eye See forcing the pace. Coming into the straight Jay Eye See led by three parts of a length. The finish was terrific. Midway down the straight St. Julian made a grand affort under punishment, but his autigonist was unapproachable, and captured the heat by half a length, well in hand. Time, quarter, 322 sec., half mile 1 062, three-quarters 1.434, mile 2.184. Betting on third heat, 100 to 60 in favor of Jay Eye See.

Third heat — The horses were sent away at the first effort. Jay Eye See led by half a length, and trotted throughout in capital attyle, leading during the entire course. Half way up the hill St. Julian quit, leaving Jay Eye See to come on and win amid tremendous applause by three lengths. Time, first quarter 33 secs., half mile 1 062, three-quarters 1.42, mile 2.19.

ment. Givenuation by place with the second and the

set the injury to Layouce, which is very marked that the Sydney syndiants would back Trickett as freely as Layouch. In fact Trickett had arpressed annoyance that he had not been selected instead of Layouch. Hanlam will carry two backs with him, should he go, and therefore will demand \$15000 for expenses. He likes all the comforts in traveling that money will buy. He will not decide upon terms for exhibition money until atter he arrives in Australia. It is safe to say that he will want the lim's share of the receipts.

fail. Call at F. T. Burgess' drug store, 364
King street east and get a package. Twenty-five cents is all it costs.

A Colorado rough proudly wears a ring through a hole which was made in his ear by the bullet of a barroom adversary's pistol.

-Give Holloway's Corn Cure a trial. It removed ten coras from one pair of feet without any pain.

Philadelphia's health board will require householders to remove the grass from their pavements, as it affords a hiding place for tarbura and other ficth. -The star dyes are unexcelled for cheap-

An enterprising farmer of Middleport, N.Y., saved his ten sores of beans from the troat the other night by drawing bush from the woods and building a bonfire. -If you are broken down in constitu and wasting away by sickness, dissipation, too great nervous taxation, or suffer from any chronic disease, do not abandon hope until you have tried Burdock Blood Bitters. What it is doing daily towards restoring others, it might do for you.

Virginia is beginning to make flour of peanuts, of which she raises 2,000,000 busheds this year. Peanuts, so catted in the old dominion, were introduced from Africa and are known in North Carolina as ground the state of the control peas, in Tennessee as goobars, and in Geor-gia, Alabama and Mississippi as pindars. There is no preparation before the people to-day that commands their confidence more, or meets with a better sale than does Dr. Fowler's Extract of Wild Straw-oerry—the infallible remedy for all forms of summer complaint.

The sheep ranches of California are unusually describe praces. For the herders it is a terrible life, how terrible is shown by the frequency of insanity among them.

Sometimes, after only a few mouths, a herder goes suddenly mad.

er goes suddenly mad.

—W. J. Guppy, druggist, of Newbury, writes: "Dr. Fowler's Wind Strawberry is just the thing for summer sickness. I sold out my stock three times last summer. There was a good demand for it." Dr. Fowler's Extrac. of Wild Strawberry is infallible tor dysentery, colic, sick stomach and bowel compliant.

Wittiam Morace Lingard and Luscombe Searcite, the actors, and a fight in the American Exchange, London. Neither is much impre than five feet in height, and the encounter was comical in its tury.

—Dr. Fowler's Extract of Wild Strawberry with never hall you when taken to cure dyschiery, colic, sick stomach, or any form of summer complaint. Relief is almost instantaneous; a few doses cure when other remedies fail.

nemedies fail.

Montgomery was accused of a crime at Taylorvine, Iti. Consumption moved faster than justice, and he died before the time appointed for his trial. A few hours before his death he summoned his neighbors to his bedside and sabmit ted to them the evidence which he had intended so produce in court. He added a solemn protestation of innocence, and was comforted with a vote of the fail of the same of t

A locometive of the I. t rnation d railroad was used to pull down the telephone wire between San Murcos and New Braunfels.

Boston is reminded by the London Time a she is not the only city to suffer a lall from intellectual supremacy. burgh has been deposed from a rank exalted. Weimar has sunk to be a residence town, Geneva has gone into de and politics, Fforence is no longer a serary centre, and Oxford and Cambridge tain no diotatorship in letters. New lork has "merely taken precedence of Boston."

A gentleman of West Greece, N.Y., suf A gentleman of West Greece, N.Y., suf-tered a peculiar and painful accident re-cently while hitching his horses to a car-riage in which to ride to church. He was in the act of speaking, when one of the animals threw up his head, hitting the nu-fortunate man under the chin, forcing his teeth through his tongue, making a cut mearly an inch wide.

mearly an inch wide.

Himalaya (the abode of snow from the Sanscrit "hima," snow, and "alaya," abode) is the most elevated and stupendous system on the globe. The tea plant can be cultivated along the entire southern face of the Himalaya to an elevation of 5000 feet, but the heat is produced at from 2000 to 3000 feet above the sea, and the best only is sold by the Li-Quor Tea company at 30 cents per lb.
