Warwick Bros. & Rutter for the five years ending on Dec. 31, 1898.

Agreed to.

The Budget Debate.

Mr. McKay (Oxford) resumed the debate, denouncing the American system of electing officials, approving warmly of the present system, instancing cases in which comparatively large sums were paid by the Dominion Government to certain officials, being in receipt of from \$3000 to \$4000 a year paid by fees.

Mr. Wood (Hastings) was mentioned as being in receipt of from \$3000 to \$4000 a year paid by fees.

Mr. E. F. Clarke remarked that the amendment re appointing officials was treative, they had so great an interest in it.

The Non of His Father.

Mr. Tait condemned by O'Connell, while Lord Chancellor Westbury, for until history and condemned by O'Connell, while Lord Chancellor Westbury, for with the court, was censured by Parliament, so strong was public opinion with regard to the nomination. The only support for this suspected that they defended so warmly being the fee system because, through their relatives in office, and the Commissioner of Crown Lands ran a close second. Lord Grey's nepotism was mentioned in history and condemned by O'Connell, while Lord Chancellor Westbury, for with the court, was censured by Parliament, so strong was public opinion with regard to the nomination. The only support for this part of the prove

other municipalities indiscriminately. The statement that the Isolation Hospital is a separate institution from the General Hospital is no excuse to relieve the Government. If Toronto has a better and more expensive system of caring for its sick than other cities, this is only the greater reason with the usual allowance should be granted. The Provincial Sceretary defends the action of the Government on the ground that the paying for patients in the Isolation Hospital is a mew departure. An anew departure it may be, but it would be a justifiable and common sense departure, and the Fees System.

A Live Question.

Do you care to save from 25 to 40 per cent. An accordance of the Government on the ground that the paying for patients in the Isolation Hospital is at the ARMY AND NAVE STORES, for they have the largest variety, the best qualities and the lowest prices of the Corporation's ment could go further and curtail the departure being established.

OVARIAN DISEASE.

C. G. Comstock, proprietor "My Laun-ry," 2903 Chestnnt-street, Milwaukee, dry," 2903 Chestnut-street, Milwaukee, Wis., writes:
"For disease peculiar to women there is certainly no remedy now known to compare with Radam's Microbe Killer. My wife had been afflicted with ovarian troubles for three years, during which time she had not one hour of absolute freedom from pain. We had employed the most eminent physicians of LaCrosse, Sioux City and Milwaukee without benefit. Her case was regarded as extremely serious and it was finally decided that nothing but a capital operation could save her life. I hesitated as to letting her submit to the operation. We had heard a good deal of the wonderful cures effected by Microbe Killer in ovarian troubles and resolved to try it. As a result a decided improvement soon set in then her pains ceased entirely and to-
