CHICAGO.
HICAGO, March 31.—Wheat prices lay fell to the lowest level which has not touched this season by the May July deliveries. Selling pressure is general and buying was only of scattered sort. Prospects of a big of winter wheat had much to do he emphasizing bearish sentiment, ming prices, which varied from 2½cer to ½c advance, were followed by herous fluctuations within the interval of the market was as dull as the opening prices, which varied from 2½cer to ½c advance, were followed by herous fluctuations within the interval of the market was as dull as the opening prices, which varied from 2½cer to ½ce and oats paralleled the action of the bank's reserve to liability this week is 12.27; last week it was 13.89. Rate of discount 7 per cent.

MONTREAL March 31.—The closing of the market was as dull as the opening prices, which varied from 2½cer to ¼ce and Ereweries did not vary and closed at their opening figures. Dominion Steel, which did not put in an appearance until late in the morning, was weak, opening a quarter lower at 45, and weakening still more at 43%, at which figure it closed. Riordan also remained unchanged.

Wild Rumor

Continued from Page One.

he was organizing the scheme for an "investigation," flatly refused to have bassador at Washington, asking him the officials. issued by the British embassy. stated that the embassy could not approve the purpose to be served or the

mittee" and therefore could not be represented. ments of opinions regarding the composition of the "committee" the general restoration of the Hapsburgs in Huntenor of the report has occasioned no gary. surprise. The general opinion among SURPRISE TO SWISS. representative American citizens here is that it will bear but little weight with the general public of the United States, as its contents have been largely dis-counted by frequent repetition of the charges upon which it is based by Sinn Fein propagandists and also because of the "commission" lack of any sem-

blance of official standing. Among the Sinn Fein charges which have been made frequently by propagandists in attacking the British Govare at present four archdukes residing to get together, a satisfactory arrangement might be made whereby the in this country. eport are the following: That the British Government has in-

cited the British troops in Ireland to That the British troops have "indiscriminately killed innocent men, women and children; have tortured and shot prisoners while in custody," and have assassinated prominent Irish repub-

licans. tenanced house-burning and wanton "destruction of villages and cities." That factories, creameries, crops and says a Havas dispatch from implements have been burned and TAKING NO CHANCES. farm animals shot for the purpose of destroying the means of existence of the High. Low. Close. Irish peop

Charges have been made by those not in sympathy with the "commission" that the main object of some of those connected with it was an attempt to create public opinion in favor of intervention of the United States in the domestic affairs of Great Britain. The section of the report which deals with this phase of the subject argues that the Irish question is "a proper subject of concern" for the United States, and that continuation of disorders in Ire-

A large part of the report is devoted to a historical sketch of Ireland, as seen The former emp from the Sinn Fein viewpoint. The general public on this side of the line appears to have displayed but little interest in the "commission." After the interest in the "commission." After the opening days of the long-drawn-out told Regent Horthy to-day that Charles hearings but few of the newspapers, was under Spanish protection and that outside of two or three which are anti-British in policy, printed any but brief reports of the proceedings, and indications are that the lengthy document issued to-day is not likely to arouse any great degree of interest.

Chairman Ingram Verifies Re-

port of Board's Withdrawal.

Company and Men Notified By

Railway Board.

For the second time within a short while the London Street Railway Com-

pany and its employees have been asked

to make some agreement whereby the road can be operated without the su-pervision of the Ontario Railway and Municipal Board. Vice-Chairman A. B.

Ingram, of the board, is in the city to-day and he has notified Manager King

for the company and President Colbert

for the men that the two interested

parties should come together in an ef-

statement which appeared in The Free

Press yesterday to the effect that the

ally notified the company and the men

that the road would be handed over

Speaking of the situation to-day, Mr.

Replying to a query, Mr. Ingram stat-

would not necessarily mean that there

would be any discussion on an increase

in fares. The paving question was what

men and the company cannot reach a

bridge before it is necessary," was the

reply. "We are here to do our duty so far as this may be shown from time to

time, but we cannot anticipate any such condition as you mention by stating what action we would take. NOT OFFICIALLY CONCERNED.

Acting-Mayor Harley suggested that the board should notify the city of its

intentions as the Council requested the board to take over the road last year.

Mr. Ingram pointed out that the board has no desire to appear at all

discourteous, but the city is not of-

to take this step. Some time ago the board asked the men and the company

to try to reach an agreement, but this

was unsuccessful. The company of-

fered an advance of one cent an hour,

making the maximum 49 cents. This
