BABY SLEEPS SOUNDLY.

Babies who are given an occasional dose of Baby's Own Tablets always sleep soundly at night and it is not the drugged sleep produced by sleeping drops or "soothing" syrups either—the sleep is natural, healthy and restful, and baby wakes up in the morning bright and cheerful. The Tablets are the best medicine in the world for the cure of all the minor ailments of little ones. Mrs. L. Gagne, Edmundston, N. B., says: "My baby was cross and fretful and I hardly ever got a good night's rest until I began giving Baby's Own Tablets. These Tablets removed the cause of the trouble and now baby sleeps well at night." The Tablets are sold by druggists or by mai at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

THE OLD BOY'S REUNION.

In the corporation of Watford On the border of old Warwick Near the wilds of the Brooke swamp

And the wigwams of Strathroy Dwells a mighty energetic Institution of progressive Business men and lively farmers

Who in combine formed a Fair Board
Whereupon the old town prospered
For the wire-works and Hastings'
sleighs
And Maxwell's automobile factory
Keep the town in constant motion
And the funds a circulating.
Then the Fair Board admitted,

After due deliberation,
That it would be beneficial
To the inhabitants in general Just to have a big re-union
Of the Old Boys of this district,
So a couple of days in August
Apart were set by this August body

For the enjoyment and the pleasure of those from near and tar.
It's the nineteenth and the twentieth of that balmy month of Summer

So says the Secretary
Of that potent Fair Board,
Thus the invitations are moving
To the eastward and the westward, And a mighty congregation
Is expected home next summer;
Where a welcome royal and hearty
Awaits each individual

Who returneth back to Watford From the home of his adoption
From the wild and wooley prairie
Or the calmer eastern country.
