HARRIS & CO. PROPRIETORS.

WATFORD, AUGUST 3, 1917

## NOTE AND COMMENT

Can you look a potato in the eye, asks the Orillia Packet, and say, "I have done my duty?"

The movement to assist farmers in harvesting has thus far borne small results. A few from the village have given assistance, but in most cases while the will is good, the flesh is weak.

With contempt for all law and common sense the auto speeder continues in his mad career of catapulting the roadside ditches and throwing dust in the eyes of the public or otherwise making himself a common nuisance. The speeder should be made to desist his recklessness, and that right smartly. He is a menace to the safety of everybody else who travels on the highway.

Despite the present prevailing high cost of living, some men in the employ of the civil service department of the Dominion Government are getting the munificent salary of \$564 a year for which they are compelled to work seven days in the week and on which they are expected to support a wife and family. This fact was noted at the civil service federation meeting in Toronto last week.

The Women's Patriotic League held a very busy meeting at the home of Mrs. Burton, Warwick Village, on Wednesday afternoon, July 25th. Owing to the farmers being so busy the usual number of ladies was not present, but everybody was busy. Miss Dorothy Wordsworth undertook to look after the duties of the corresponding secretary during her absence in the West. The donations amounted to \$10.05. The bale packed after the meeting contained 36 pyjama suits, 19 shirts, 26 towels, 14 pillow slips—value \$100.00.

# Send the Children

WE LOVE THE CHILDREN!

MANY of the shoppers who visit our store daily are bright little men and women. And they are shrewd buyers, most of them, in their way. They are always welcome here—and you may rest assured that every attention will be shown to an order forwarded by them—just as much as would be given to yourself. It is a convenient way of getting groceries in a hurry and is used by many of your neighbors.

Send the children for some of the following specials this week :

## LOOK TO THE FUTURE

Times may change and work become less plentiful for you with advancing years and you will have no such help anywhere as your nice little few hundred dollars saved in some sound Canadian Bank.

Begin now with only one dollar. Make a hobby of it. See how far behind you can leave trouble and hard times. Above all things do not look backward in your run to the harbor of comfort.
