formidable state of defence.

With reference to the proceedings of the Emperor of Russia during his late visits to Oinsutz and Berliff, we learn that so far from making "concessions" or advances towards a peaceful solution of the present difficulties, the Czar's chief object was to make a new alliance between the Northern Powers. In this he feiled, chiefly in consequence of the first resistance of Prussia. To evercome this resistance of Prussia. To evercome this resistance of the offered, in the establishment of the Fredericton Telegraph as y every bribe; for he offered, in the establishment of the Fredericton Telegraph as y a every bribe; for he offered, in the establishment of the Fredericton Telegraph as y as y every bribe; for he offered, in the establishment of the Fredericton Telegraph and the military dominion of Polate to the Prussia. The King, however, was steadfast in his rejection of these overtures.

We are again assured that Prince Men. ture of the union, that we must see the plan EXTRACT OF AN ACT REGULATbefore we can pronounce it desirable or otherwise.'

This a movement of great interest and importance, and would, we doubt not, redound to the benefit of the colonies.-[Bos-
