HOW LOST, HOW RESTORED! We have recently published a new edition of Dr. Calverwell's Celebrated Essay on the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, Impediaments to Marriage, etc.. resulting from excesses.

Reses.

Price, in a scaled envelope, only 6 cents, or two postage stamps.

The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practise, that alarming consequences may be radically cared without the dengerous use of internal medicines or the use of the knife; pointing out a mode of care at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself chiply, privately and radically.
