Lands granted, 400 acres to married men and 500 to single.

David Budro, Matturin Budro, Hylare Budro, Sever Gooda, Millam Burk, Jr., Joseph Burk, Jr., John Gooda, Sr., and Joseph LeBlanc, Jr., all of the River Petitcodiac, ask a grant of 400 acres each on the East of Memramcook river on the east side thereof at or near a place called Stoney Creek unapplied or unappropriated to any person.

Mr. Watson states Michael Downing sold his lot before granted at Tidnish—he is an industrious man, good subject. Served three years in the first battalion of Col. Delaney's Jersey volunteers in the last Rebellious war, his loyalty to government not to be doubted. His mother is a widow and has 10 children including him.

Alexander Tibado (18 years of age) states, 1809, he is an inhabitant in Memramcook river, in the County of Westmorland (a widow's son, his mother has a large family) and asks for a grant of 300 acres in the Township of Dorchester on the easterly side of the River Petitcodiac on the rear of lands granted unto Joseph LeBlanc here granted.

Benjamin Charters states he is a single man of the age of twenty-three years and asks a grant of two hundred acres of land in order that he may settle the same and become a permanent settler in this country. That in making application for a grant of land your Memorialist has no other motives than to procure a farm for himself which he is determined immediately to settle and improve.—Wilderness land which is situate on a small Creek which empties into the Memramcook River, about half a mile above the lot granted to one Joseph Landree.

The Memorial of Julian Blen aged 58 years with a family Joseph Blen aged 23 years, single; John Blen aged 21 years, single; Stephen Blen, aged 19 years, single; and Michael Blen, aged 17 years, single.

Most Humbly sheweth.
