This was followed by an open hurdle race which had three entries. Kelso was the favorite. The veteran was the first away at spanking pace, and held the lead for about a mile and a half, when Grey Cloud went like a son of thunder, followed by Castaway, and overhauling the "old feller" made him take third position. A protest was entered against Grey Cloud for having gone on the wrong side of the flag, but it was disallowed by the stewards.

Amusement.

CITY.

The Lyceum is the only regular place of amusement open in the city this week, and presents the strongest company of the season, the new people being Alice Bateman and Billy Noonan, Lizzie and George Derious, and Sanford and Wilson, along with the Thompsons, Jessie Boyd, and Eugene Gorman, give one of the most attractive shows ever seen in the city. Tomorrow's matinee and evening performance will be given in the Royal Opera House for the benefit of the enterprising proprietors Messrs Redmond & Dayley. We expect to see a large house, as these gentlemen are deserving of a good tribute in their efforts to establish a first-class variety theatre here.

The model of the famous Strasbourg Clock is being exhibited at Agricultural Hall. It is a wonderful mechanical curiosity and should be seen by all who take an interest in such matters.
