JUST IN TIME

YORKVILLE AVENUE, TORONTO, OCT. 29, 1891.
For the benefit of those who see nothing but suffering and death before them I wish to say there is hope for you yet. I have been in a like condition myself and owe my restoration to health to the ever reliable HISTOGENETIC REMEDIES. Last Spring I was utterly prostrated by a severe attack of la grippe, which resulted in bronchitis and other serious complications. When my case seemed perfectly hopeless, my friends decided to try the Histogenetic Remedies, and in less than three days a change for the better was so apparent that we were all inspired with hope. I continued the treatment for a number of weeks, progressing slowly but surely day by day. I am now comfortably well and am still gaining in strength and power of endurance, and am a wonder to those who knew how hopeless my case was. To show my gratitude to Dr. J. Eugene Jordan for his wonderful remedies and to my Heavenly Father for commanding His blessing to rest upon them, I take this way to let all afflicted ones know where they may find help in time of trouble.
MRS. H. P. SNOW.

I can vouch for the truthfulness of the above statement.

I CURE FITS!
When I say I cure I do not mean merely to stop the fits for a time and then have them return again. I mean a radical cure. I have made the disease of FITS, EPILEPSY or FALLING SICKNESS a life-long study. I was once my remedy to cure the worst cases. Because others have failed I was so reason for not now receiving a cure. I was once for a treatise and a Free Bottle of my infallible remedy. Give EXPRSS and POST OFFICE.
